### A New Back for an Old One-How It is Done in Cmaha.

Sometimes the back aches with a dull Indescribable feeling, making you weary and rentless; sometimes pain shoots across the region of the kidneys, and again the lions are so lame to stoop is agony. No use plastering or rubbing the back in this condition. You cannot reach the cause. To exchange a bad back for a new and stronger one, follow the example of this Omaha citizen.

Mr. Ufada Johnson of 1407 Pacific street. employed at the G. A. Hoagland Lumber Co., says: "I have a good deal of heavy lifting to do and it is neccessary to have a good, string back to do the work. My back commenced to trouble me and finally became so had I had to lay off work-in fact was not working, when Doan's Kidney Pills came to my notice. I procured a box at Kuhn & Co.'s drug store and had taken thom but a few days when I was able to return to my occupation. I have not had a symptom of backache since I took the treatment and you can use my name as one who thinks Doan's Kidney Pills the finest medicine there is for the back and kidness." For sale by all dealers, price 50 cents, Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name DOAN'S and take no substitute.
