THE OMAHA DAILY BEE: MONDAY, JUNE 25, 1900.

World to End This Year.

...AMUSEMENTS

DEADWOOD, S. D., June 24 .- (Special.)tained. The Black Hills Copper company has commenced developing its large tract of mining ground, situated five miles west of Rochford, in Pennington county. George M. Thresher of Boston Harbor, Mich., has been out to get the work started.

Ten different cyanide plants are being built in Lawrence county at the present of others who not only believe, but know Jo Parker of Kentucky and Congressman time, which will have when completed a that Hostetter's Stomach Bliters is the Howard of Alabama, both of whom have ascontinued capacity of about 1,200 tons of best medicine to cure dyspepsia, indigesore per day, not including the new Hometion, constipation, billousness or liver and stake plant, which of itself will be able to kidney troubles. A fair trial will certainly treat about 1,200 tons per day. These plants | convince you of its value. will increase the output of gold and silver, it is estimated, one-third of what it is now. It will mean the marketing of from 1,200 to 1,500 tons of ore that could never be worked at profit with any of the other processes. Some of the experiments that "Dad's Girl"have been made in the past six months Manager Bear and the Redmond Stock have shown remarkable results. Tests on ore, for example, taken from the Yellow Creek district, have given as high as 29 their summer season at Boyd's was signalper cent extraction in gold or a loss of ized last night. Despite the warm weather, only 1 per cent of the values in the extraction. The new cyanide plants will not get in much work this year, not more than three with all the hall marks of approval. The this state are: A. G. Wolfenbargar, Miss year.

Developing New Ground.

One of the best plants now in course of manner and ran smoothly for a first per- versity Place. construction is that of the Spearfish Mining formance. The play is not a strong one company, which purchased 365 acres of and it seems reasonably certain that with Thompson men again at the regular weekly ground in the Ragged Top district hast a piece offering more opportunities the meeting of the Abraham Lincoln club last bridge up there and to watch out for his month. The crushing capacity will be for ladies and gentlemen of the company would night. A special order of business was the body, a reward of \$100 being offered for erting himself in the least to secure the 200 tons per day. The Cleopatra Mining show to much better advantage. It is a election of delegates to the Republican its recovery. Sunday Rioters Locked Up. F. J. Matthews and Charles Dewey were creating a great disturbance at Anheuser-Busch park late Sunday afternoon when ar-rested by Officers Shoop and Sullivan. The pair did not propose to be taken and their friends joined in the remonstrance so ear-nestly that it was necessary to send in a riot call to the police station. When the wagon arrived after the long run to Thir-ticth and Fort streets the officers still had their prisoners and no blood had been shed.
