Through the co-operation of the Board of Education and the city librarian, Miss Tobitt, books will be kept at the stations this summer, and every two weeks an opportunity will be given for exchanges. The janitors of the different school buildings have been instructed to keep the buildings open at the

appointed time and an assistant from the city library will have charge of the books; a duty that is performed by the principals of buildings during school terms. The following dates and hours have been arranged for opening the substations:

#### RELIEF PROMISED AT LAST Cooler Weather Predicted for Omaha Wednesday-Hot Throughout Entire Northwest.

At 7 o'clock yesterday the thermometer at the government observatory registered higher than at the same time any day this summer and the forecaster was pessimistic as to cooler weather before for year 1900, at the rate of 1 per cent per Wednesday. From the far northwest came month, will be charged on and after July reports of continued warmth and the hot 1st next. belt extended eastward to Duluth. The maximum temperature at Omaha for the past twenty-four hours has been 50 degrees, six degrees below the maximum for the year. On the warmest day of the year June 6, the reading of the thermometer at 7 a. m. showed 70 degress, four lower than today.

There is a prospect of cooler weather after today in this section. The changed condition will be felt in western Nebraska this morning.

#### HIS LIFE SAVED By Chambertain's Colic, Cholera and

Diarrhoen Remedy. "I am sure that Chamberlain's Colic Cholera and Diarrhoea Remedy at one time saved my life," says A. E. Lafalette of Gregory Landing, Clark county, Missouri. "I was in such bad shape that the doctors said I could not live. When I was at the lowest ebb one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I took it and got instant relief. I soon got up and around. That was nine years ago and I am still in good health. Since then that medicine has always been in my house and always will be. It is the best on earth.'
