City Council's Work.

At the regular meeting of the city council tonight blds will be opened for the construction of the new bridge over Indian Creek at Fifth and Union avenues. Up to Saturday noon City Clerk Phillips had received five bids, but the names of the bidders were not made public. The motor company by agreement with the city authorities will contribute \$800 toward the cost of the new bridge.

The ordinance introduced by Alderman McDonald requiring all street railways to place "fenders" on their cars will also come up tonight. Most of the aldermen are said

Sheldon in Swallow's Place.

DAVENPORT, In., July 1.-The executive committee of the united Christian party met here last night and chose Rev. Charles M. Sheldon of Topeka, Kan., as candidate for vice president in place of Rev. S. C. Swallow, who declined to run. Mr. Sheldon is thus slated as running mate for John G. Woolley? The committee states that the author of "In His Steps" knew that his name would be considered and gave assurance that he would not decline the place. The party will hold a mass convention at Rock Island, Ill., in July to perfect organization in that state.

# Declines College Presidency.

FAIRFIELD, Ia., July 1.-(Special.)-The Journal prints the definite announcement that Dr. F. W. Hinitt, pastor of the First Presbyterian church of Ottumwa, has refused to accept the presidency of Parsons college in this city, a position recently tendered him by the board of trustees. The alumni of the college and the people of Fairfield profoundly regret that Dr. Hinitt cannot see his way clear to accept this call. The board of trustees would not give out a statement as to whether or not they have any one else in view for the presidency.
