A certain brand of circumvolutions which McNeeley, the crack pitcher of the present top-notchers, has kept in store for the Omahas, proved an enigma for Buckerino Keith's bunch of base ballists down at the Vinton street reservation Saturday afternoon and the Deaverites bagged another addition of their long line of victories by a score of 11 to 5,

The mountaineers sustained their reputations as hard hitters by swatting the mighty Hughes here, there and everywhere over the field, piling up a total of fifteen hits, including one homer and a full quota of triples and two-baggers. They wreaked a dreadful venceance upon the star pitcher of the Colts' aggregation, beginning in the very first inning with a double, triple and homer, which, with a hase on balls, netted four runs. This lead didn't discourage the locats in the least and when in their half of the first a couple of hits, combined with a brace of errors and a wild pitch, brought in three runs, the big crowd of fans looked for the game to end satisfactorily from the standpoint of the Omaha partisan. The visitors kept their gait up throughout the entire game, however, while the Colts subsided after the first inning and were lamblike in their decility at the bat, going out in nearly every inning in one, two, three

In the eighth and the ninth a couple of more runs were added, O'Rourke's threebagger netting one and O'Connell's double, followed by a two-bagger by Hoy, the other. Meantime the mountaineers had availed themselves of the deluge of fitte tavy trained to make frequent additions to their original capital and nothing short of a Childs. Merces, when the inevitable of the inevitab

While the Colts were somewhat deficient at the bat they made amends to a certain extent by their excellent fielding. Jimmy Hoy and Mattie McVicker made enough circus catches to keep the crowd in a good humor, even though the coveted victory appeared almost from the first to be an utter improbability. The only error which resulted in a score for the mountaineers was that of Hughes, accomplished in the sixth inning, when, trying to catch Weaver nap-ping on third, he fired a ball away above Hoy's head and Weaver galloped home. For the visitors Blondey Lewee was easily the favorite, several of the eight chances he accepted being of the red-letter description.

RAIN SAVES THE PROHIBITIONISTS.

Des Moines Was Beaten When the Ball Got Wet and They Won. MOINES, July 14—(Special Telegram.)—St. Joseph led Des Moines in the fourth by a score of 5 to 1, and up to that time Underwood, who was in the box for the Missourians, was almost invincible, but in the fifth Des Moines found him and from then on it was a slugging march. A total of thirty-two hits was made in the game, seven of them being two-baggers. A rain storm came up in the fourth inning and in the last half of the fill the game had to be stopped for five minutes. It was just after that, when the ball was wet, that the Prohibitionists cut loses, and from then on they hammered Underwood all over the field, securing three hits in the fifth, six in the sixth, one in the seventh and three in the eighth. It was simply an old-fashioned slugging match. Thiel of Des Moines made four hits out of five times at bat. Baer and McKibben of St. Joseph each made three hits. Attendance, 800. Chicago Braces Up Long Enough to
Win a Game at Detroit.

DETROIT. July 14.—Elberfeld presented Chicago with the first run today, when he gave way to a petry exhibition of temper. McFarland and Padden started a double steal from first and second in the first inning and Shaw threw to Elberfeld at second. Padden was declared safe, which made Elberfeld angry, and he deliberately threw the ball clear to the grandstand, McFarland scoring. In the fourth Chicago scored twice on two singles and a double and in the eighth only once on two bases on balls and three hits. Chicago's errors were responsible for both of the runs scored by Detroit. Score:

Since the beginning of the professional base hall season the big brick building down at Ninth and Farnam streets wherein hundreds of men combine to run the affairs of the Union Pacific, has been looked upon as a veritable hotbed of base ball enthusiasm. At Burlington headquarters the same spirit prevails and freight tariffs and passenger rates divide attention with batting averages and fielding operations.
