# NERVOUS PROSTRATION

# Causes Headache, Dizziness and Sleeplessness.

Mrs. M. Kliner, Cleveland, Ohio. Mrs. M. Kliner, 138 Croton street leveland, Ohio, writes: I had suffered for the last fifteen years with my head, and I must say that your medicine has done me all the good you have said it would. My health was never better than since taking your Peruna. I do not know what a headache or neuralgia is. I can taking Peruna and be as grateful in the Catarrb."

end as I am. I with always recommend

One of the most dangerous and common forms of acute nervous promitation is known as sunstroke. The prostration caused by overheating the body does not always result in sunstroke, but more commonly in milder forms of depression, such as nervous headache, dizzinese, faintness, alecplessness, patritation, mental confosion, abundant clear urine, creeping rigors, flashes of heat, and shortness of breath at the least

exertion-All of the above names are symptoms of arute prostration most prevalent during the month of July than at any other season of the year. Even people who have the most vigorous health are liable to attacks of prostration during the hot waves of early The only safe course to take is to

keep the blood pure, digestion good and sleep regular. No remedy equals in all respects. Peruna, for this purpose. A dose of Peruna before each meal during the hot season is a safeguard of priceless value.

Especially those who are in the least subject to nervous prostration should not beglect to provide themselves with Peruna, the greatest of all nerve and brain restoratives known to the medical world. Complete directions for use on each bottle.

# To go anywhere with my face in this

condition," is the expression of a very natural feeling. To a beautiful woman an eruption on the face is the greatest of calamities, her very beauty seeming to increase the disfigurement. eight times in every hundred, eruptions are cured by Dr. Pierce's Golden Medical Discovery, and the skin recovers its maiden bloom and softness. "Golden Medical Discovery" is a medicine which acts directly on the blood, purifying it, increasing its quantity and its richness. Eruptions, blotches, pimples, etc., are but surface signs of the corrupt blood current underneath, "Discovery' cleanses the blood, and so cleanses the skin.

"For about one year and a haif my face was very badly broken out," writes Miss Carrie Adams, of 116 West Main St. Battlecreek, Mich. "I spent a great deal of money with doctors and for different kinds of medicine, but received no benefit. At last I read one of your advertise-ments, and obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured."

Dr. Pierce's Pleasant Pellets keep the bowels in healthy condition.
