THE ONLY EXCLUSIVE DR. GOODS HOUSE IN OMAHA.

7, E. C. A. BUILDING, COR. 10TH AND DOUGLAS STS.

The day was the discovery of two negroes wounded almost to death in a box car on the levee front near the corner of Josephine street. The poor fellows were desperately hurt and only one was conscious. He was so frightened that he declined to give an account of the shooting. Both were removed to the Charity hospital, where it was found that both had been stabbed close to the heart. One was Nathan Brown and the other Charles Washington.

At 3 o'clock an unknown white man came along Julia street near the corner of Baronne street. He saw a negro and without any provocation began to fire at him. The negro escaped, it is believed, without being hit.

Sheriff Klock, in charge of the parish prison, saw both the mayor and the chief of police today. There is confined in the prison Leonard Pierson, who was the man with Charles when the latter shot and dangerously wounded Pierson. Pierson was killed by Pierson and Pierson was killed by Pierson. The mobs that have been going the rounds of the city have been anxious to get at Pierson if possible and lynch him. The sheriff assured both officials that he had the jail so well protected that it would require the use of dynamite to reach the culprit. Neither the sheriff nor the chief of police, whose headquarters are located in the same building, apprehend that any serious attempt will be made to break into the jail to secure Pierson.

Mayor Capdeville and his assistants made arrangements this afternoon for transportation facilities which would assist in the quick dispatch both of the militia and of the special police from one section of the city to another. All the trrolley lines were ordered to stop at the mayor to say that they would place special cars at his disposal throughout the night, so that armed forces could be moved quickly. The express companies also assured the mayor that their wagons would be ready to respond to any call which might be made upon them.

DEATH RECORD.

Dr. Thomas Cooper.
The many friends who Rev. Dr. Cooper of Kansas City attracted to himself when here last year will be shocked to hear of his sudden death of heart failure at Wellington, Kan. He came here to take charge of the pulpit of the First Methodist church during the illness of the late Dr. McQuoid and officiated for several weeks after his death as acting pastor of the church. Dr. Cooper was a man of distinguished attainments, a pulpit orator of much power, a deep thinker, a thorough teacher and an authority on classic literature. For some time previous to his death he had not been actively connected with the ministry, but confined his pulpit work to assisting clerical friends from time to time. At the time of his death he was connected with the well known Appleton publishing house.

Dr. Thomas Cooper was born in England and he held pastorates there at Tiverton, Plymouth and other places. He had charge of a church at St. Joseph, Mo., for some time before he moved to Kansas City, where his family now resides and where last Sunday he was laid to rest in Forest Hill cemetery.

Funeral of W. D. Thomas.

PREMONT, Neb., July 26.—(Special.)—The funeral of the late W. D. Thomas was held this afternoon from the family residence on the street. Rev. W. H. Busch of the Congregational church officiated. The services were under the direction of the Masonic fraternity, Mount Tabor commandery, Knights Templar, in full uniform, acting as escort. The pallbearers were: Hon. Judge W. H. Manger, Frank Fowler, F. McGovern, Hon. E. P. Gray, Hon. L. D. Richards and C. H. Veazie. The funeral was very largely attended, all of the older settlers of the city and many from other places being present. The remains were buried in Ridge cemetery.

Funeral of W. L. Edwards.

TECUMSEH, Neb., July 26.—(Special.)—The funeral of William L. Edwards, who was killed in the machinery at the Tecumseh water mill Monday, was held at the family home yesterday afternoon. The sermon was preached by Rev. T. D. Davis, Rev. Mr. Thompson spoke of the life of the deceased and Rev. W. W. Theobald offered prayer. The order of Royal Highlanders, of which Mr. Edwards was a member, had charge of the burial service. The column to the cemetery was headed by the Tecumseh Military band, once an official band with the order, and the Highlanders marched in a body to the grave.

W. G. Higley.

W. G. Higley of Blair died Thursday at St. Joseph's hospital. Mr. Higley was an old and respected citizen, who had been afflicted with an operation performed to relieve him, but had an attack of pneumonia, which resulted in his death. Mr. Blair was 41 years old and had been in the news and music business for several years. He leaves a wife, mother and one brother, all of whom live in Blair. His wife is a daughter of S. S. Blanchard of Elk City.

COOLIDGE LEFT IN COMMAND

Ranking Officer of American Land Forces Until Arrival of General Chaffee.

(WASHINGTON, July 26.)—The fact that Colonel Meade, who was in command of the marines at Taku, has been invalided home on account of rheumatism has created some surprise among his comrades of the navy who knew him best. While a man of indomitable will, Colonel Meade's vitality has been below par, and it has been an almost constant struggle for him to perform his duties. Colonel Meade has created no military officer at the Cavite naval station since its establishment. His departure from Taku will leave Lieutenant Colonel Coolidge of the Ninth infantry in command of the American land forces. The latter's command, however, will be only temporary, until the arrival of General Chaffee within the next few days will place him in supreme command. Major Waller, who is now the ranking marine officer, also will give way upon the arrival of the General.

FOREIGNERS ARE IN DANGER

Governor of a Chinese Island Announces His Intention to Protect Them.

(NEW YORK, July 26.)—A special to the Journal and Advertiser from Hong Kong says "Consul General Wildman has been informed that the Chinese governor of the island of Hai Nan has served notice on the consul that he is unable to protect the foreigners any longer. The American missions have appealed to Consul Wildman to send a war ship to Hai Nan to bring away the foreigners."

Believes Task is Difficult

Special Commissioner Rockhill Feels that Chinese Problem is More Complicated Than Ever.

(PHILADELPHIA, July 26.)—Special Commissioner Rockhill will leave Washington Saturday with Mrs. Rockhill for San Francisco, stopping a day or two at Chicago en route. This will enable him to reach San Francisco in time to take the Japanese liner America Maru, which sails for Yokohama and Nagasaki on August 8. If Secretary Hay returns to Washington tomorrow morning, as is expected, Mr. Rockhill will have a final conference with him before leaving for China. It will not be necessary for him to again see President McKinley, as he has received the fullest instructions from the president already.

LIFE'S JOYS

Are Only for Those Blessed with Good Health and a Rugged Constitution—Dr. Bennett, the Electrical Expert, Tells Something About the Great Restorative Power of His Famous Electric Belt.

I have been an authority on the curing of disease by electricity for more than thirty years. I have made a life study of the causes caused by weak, impoverished blood. The blood is the life of the body. If you have good health—its circulation, must be normal. The energy of the nerves and the vitality of all muscles is electricity. If you are sick it must be supplied before you can become permanently well. Electricity makes pure blood, pure blood will throw off all disease.

Dr. Bennett's Electric Belt

It is my invention. I worked the best part of my life in perfecting it. It is the only electric belt in the world that has soft, silken, chamois-covered sponge electrodes, that do away with that irritating burning and blistering caused by all other makes of belts. The others all renew when worn, but mine does not. It is made of metal and does not irritate the skin. It is made of metal and does not irritate the skin. It is made of metal and does not irritate the skin.

Electricity cannot penetrate the body unless it is carried by a conductor. My belt is made of metal and does not irritate the skin. It is made of metal and does not irritate the skin. It is made of metal and does not irritate the skin.
