Ing Sensation. CLEVELAND, O. July 25.—There was more fine sport at the Grand Circuit races today, the track being very fast after its thorough soaking on Wednesday. The pro-gram was a big one, including the two races postponed from Tuesday. The first event on the card was the 2:25 trot. Helen Simmons was the favorite at 100 to 80 for the field. In the first heat Dickerson made no effort to push the mare and George H. Ray led to the stretch, where Bay Star challenged him, but Annie Barns came up fast on the outside and beat Ray out after a close finish. In the second heat Annie Burns led to the quarter, where she broke and before Dick Wilson could get her on her feet she had been shut out by the dis-tance flag. Helen Simmons took the heat with ease and won the race by capturing the third and fourth heats. The 2:09 pace was the sensational race of the day. Hettie G was the favorite, and she justified the confidence of her backers by winning the race. after losing the first two heats.
