A FEW MORE POINTERS ABOUT THE SHORTHAND AND TYPEWRITING DEPARTMENTS OF THE OMAHA COMMERCIAL COLLEGE, OMAHA, NEB., ROHRBOUGH BROS, PROPRIETORS.

POINTER No. 1—Ever since we introduced Gregg Shorthand a number of our competitors have seen fit to abuse the system. They have denounced it in unmeasured terms. It is, therefore, refreshing to know that these same parties are now scrambling for textbooks to teach this system. They are willing to trample upon the exclusive right we hold to this system for Nebraska in order that they may hold out stronger indusements for prospective students. The motive in such a course of conduct we believe the public will understand.

POINTER NO. 2—Students desiring to learn Gregg Shorthand will find it is to their advantage to do so where the proprietors and teachers of the school are thoroughly in sympathy with the system, and not take it from a school where they offer to teach it simply as a side issue, and where no opportunity will be lost to neglect the student so long as he insists upon learning Gregg Shorthand. This is the only system now taught at the Omaha Commercial college, and students, teachers and proprietors are thoroughly in sympathy with it. Any other school attempting to teach Gregg Shorthand does so in plain violation of our rights.

POINTER NO. 3—We had a new class of students in Gregg Shorthand iast week and our attendance is largely increasing. POINTER NO. 4—General arrangements are now being made in all departments for the opening of the fall term, September 3. POINTER NO. 5—If you want to learn something about Gregg Shorthand send for our catalogue. It has been largely rewritten and contains a superabundance of evidence of the superiority of Gregg Shorthand. It will be mailed free to any address.

POINTER NO. 6—We are now prepared to teach Gregg Shorthand by mail. A term of four months will be given. Write for particulars.
