OMAHA, Aug. 13 .- To the Editor of The Bee: In the matter of the "embalmed milk" cases I read that the accused milk dealers will retain the partner of a certain judicial light already conspicuous in the connection "to defend them."

It is hard to see what good any sort of defense will do these dealers, once their practices have become known to the public. No household-certainly none where there are children-would ever con-& NORTH-Railway - "The stern Line" sent to be supplied by them again. At least such a thing is not conceivable to me. Signs of Business and Gen-

NEWMAN GROVE, Neb., Aug. 13.—To the Editor of The Bee: The little village of Newman Grove, in Madison county, on the Albien branch of the Fremont, Elkhorn & Missouri Valley railroad, must have been literally struck by prosperity. During the good old Cleveland times people moved away from the place because no work could be had. Now builders, masons, painters, etc. cannot do all the work that is wanted. Collections are very easy and sales good. New firms are moving in and the old ones are "expanding their spheres of influence." The church work among my people, the Lutherans of Swedish birth and parentage, is also progressing very finely. They take a very active interest in the work of higher education as conducted by our Nebraska conference at Luther academy, Wahoo.
