He was informed, he says, tracks of the railroad.

# New Diamond Field Discovered.

WASHINGTON, Aug. 17 .- Diamonds, considered by London dealers superior to those from South Africa, and valued at from 25 to 50 per cent more than those found in that region, have been discovered at the disgings up the Mazaruni river in British Gulana.

was only in reply to the attacks by reb-

els, also is included in the report. Major Waller's Report.

ROBERT L. MEADE.

Major Waller's report is of especial in erest. The report is dated Tien Tsin. fune 28, and says in part:

At 2 in the morning, June 19, the Russian colonel informed me that he would push colonel informed me that he would push on with his 400 men and attempt to get into Tien Tsin and aid in the defense of the city. I objected, but was overruled in coun-cil. My reason told me that there was a slim chance for passing the Chinese force with only 530 men and no guns, the three-inch rife proving defective. I disabled it and rolled it into the river and followed the Russians in the twelve-mile march on Tien Tsin. The Russian column was in advance Russians in the twelve-mile march on Tien Tsin. The Russian column was in advance 400 strong, with my 6-mm gun in their front under the command of Lieutenant Powell. The advance continued until 7 a. m. without opposition, when we reached a point opposite the imperial arsenal. There we met a small flank fire, which was quickly silenced by our sharpshooters. About ten minutes later we met a very reavy front and flank fire from 1.500 or 2.000 men intrenched. We deployed and my line. feeling the flank fire, turned to the left and rear, confronting the flank movement, our line at that time having its front advanced. The support of the Colt gun having dwindled to two men and the gun having shot down but one. Lieutenant Powell very properly decided to abandon it, which he did after disabling the gun.
