FOR SALE—REAL ESTATE.

A CHOICE RESIDENCE
AT COST OF THE BARE LUMBER.

We offer house, 4042 Seward st., on cor. lot, 50x150, for $2,300.

While we are talking about it, we will tell you that this house was built by the owner for a home, who was a first-class mechanic. It cost him $3,500 to build the house and we challenge the architect who looks it over and says it can be built for less. It has furnace, hot and cold water, bath, closet, sewer, gas and fixtures; is finished in the best natural oak finish downstairs, panelled under every window, fine mantel and grate; 8 good large rooms and good closets; good all brick basement under entire house; faces south on high ground; good trees. It is one of those good things that comes to one only once in a lifetime.

It is two blocks from the Walnut Hill car line. If it suits you in location, it is a snap. Owner left the city and said SELL IT.

That is why we have advertised it. You can get $300 cash and assume mortgage for $1,500, and pay $500 balance monthly. Or you can go out today and borrow $2,000 and pay us $300.

You better see it very soon. We know what we are talking about on this and you will admit it is cheap when you see it.
