Drays a Nuisance.

There is a continual protest against the draymen standing their teams where they At the intersection of present Twenty-fifth and N streets, one of the busiest and most frequented corners in the city. there are always standing from five to ten dray teams. A week ago the streets at this point were flooded and the appearance after the firemen were through with the work was commendable. However, in this short time he corner is again in a deplorable condition. When seen yesterday the sanitary inspecto claimed that he could do nothing more t keep the streets in a healthy condition. He openly advocated the changing of the locaion of the drays from their present place to Twenty-fifth and M streets, which, he said, was just as good a location for them. but was not a street so frequented as N street. It is thought that the proper offic ials will in a few days ask these men to cease making this corner their permanent headquarters and move north a block.

Killed by Cars.

George Young, a trusted employe of the Western Weighing association, was yesterday struck and instantly killed by a freight train near Armour & Co.'s plant. was walking up from the Cudahy plant, at which place he is inspector in the employ of the association, when killed. No accurate account of the accident seems to be obtainable. Both of his feet were severed and his right arm crushed.

He was about 40 years old and leaves wife and four children residing in Albright. No arrangements have as yet been made as to the funeral and will not be made until his parents, who reside in the east. heard from. An inquest will be held Mon day morning at 9 o'clock in Brewer's un dertaking rooms, at which place the r mains are lying.

Breaks Up Crap Game.
