DES MOINES, Aug. 20 .- (Special Telegram.)-The locals today defeated Sioux City in one of the prettiest games played here this season. The game was full to overflowing with fast and brilliant plays and was extremely interesting. Three singles and a stolen base gave Des Moines two in the fifth, the only scores made in the game. In the sixth the visitors had three men on bases and but one out, but Des Moines run in a lightning double play and ended the chances of scoring. It was a pitched battle from start to finish, in which Glade had a trifle the better of it. Score:

LAST SERIES WITH DENVER

Omaha Vill Open Today with Tebeau Team for the Windop and Some Vengeance.

Among other arrivals from the west on the evening trains yesterday was Colonel Buchanan Keith and his warriors, just back from another hard wrestle with bad luck, worse umpiring and unfriendly crowds. Buck has given up hope of landing the pennant for Omaha, but he hasn't given up hope of getting pretty close to it. His bump of cheerfulress is just as large as it was in May, and his determination to hustle has grown as his misfortunes have multiplied. He has the longest hospital list in the league, but he also has left enough of a team to make the best of them hustle to beat the band. There is something about Buck Keith's optimism that makes Mark Tapley's record look like amateur work. He said last right that he had Tom Letcher on the string, and expected him here before the week is out. You all remember Letcher, the tail, slender youth who played with Indianapolis in the old days when Jack Lally was on the team—both played in the field. Well, Letcher was a hitter then and a fielder too, and he s better now than ever. So let's hope Buck gets him.

At 6:30 this morning Mr. George Tebeau will lead his coming chumpions from the depot to the hotel. This afternoon old Charley Really will lead the Teocaultes out to Vinton street patk, and Tommy Hughes says he is going to show em a tew himself. Bill Wilson said last night hand is not entirely healed, but is coming on nicely. It will be ladded day, and the sex is expected to be out in farce. It will also be a very warm game, for Omaha is smarting under the treatment received at Denver, and wants to get even in the only way known to base bail—by crowds. Buck has given up hope of landreceived at Denver, and wants to get even

in the only way known to base bast-b
