Kill That Pain With MULL'S LIGHTNING PAIN KILLER

Kills any ache or pain instantly, internal or external. Guaranteed absolutely pure. Safe for children, 25c and 50c.

Five years ago we issued a challenge to the world for a production to equal this wonderful Pain Killer. That challenge still stands. This remedy contains no ammonia or cayenne, therefore is not injurious to the stomach taken internally. Contains no opiates, therefore is perfectly safe for children. Follow directions carefully. It gives results quick as lightning. Remember the burn, body heat, no ache or pain which it will not instantly relieve. The prescription was perfected thirty years ago by an eminent physician in Berlin, Germany. It recently came to America as our sole property. Safeguard your family with a 25c bottle—or, if on the road, carry it in your kit.

Our red diamonds grade mark on every bottle and package, take up other; at drug store or write.

25 DOLLARS REWARD

For Information Leading to the Conviction of Persons Having Reddied Empty Bottles of COKE DANDRUFF CURE or having adulterated or tampered in any way with the original contents of the same. Extensive frauds have been practiced by a large number of unscrupulous barbers, who have lately used spurious and often injurious preparations in "Coke Dandruff Cure" bottles, palming them off as the genuine Coke Dandruff Cure.

Certain dishonest jobs have offered to barbers spurious goods, in color like "Coke Dandruff Cure," representing that their goods are the same as the genuine and that the barbers can use them in "Coke Dandruff Cure" bottles.

Barbers are warned against such frauds. These imitations are not the same as "Coke Dandruff Cure" and to use them in "Coke Dandruff Cure" bottles is a misdemeanor, punishable by fine and imprisonment. The A. R. Bremer company has decided to protect its customers and has instructed me to present to all who imitate their packages, refill their bottles or palm off bogus goods as the genuine "Coke Dandruff Cure."

Any communication relating to the detection of such frauds will be treated with strict confidence.

A Card.
To whom it may concern:

OMAHA, Aug. 25, 1906—I wish to announce to the candidates for the republican nomination for county commissioner in the first county commissioners' district of Douglas county, Nebraska, that if one or more of said candidates are willing to agree with me, we will file a petition in accordance with the primary law to have our names printed on the official primary ballot in said district at the primary election to be held in Douglas county September 7, 1906. I will agree that if any person so doing receives a majority or plurality, as the case may be, of votes cast for that office over me my name will not be presented to the convention and I will do all I can to nominate the person who is a party to this agreement receiving the most votes.

Let us settle this question without prejudice to the candidacy of any other candidate for office and in a friendly way. Respectfully,
ROBERT D. DUNCAN.

Card of Thanks.
Mrs. Fred R. Smith and family wish to thank their many kind friends for the heartfelt sympathy shown them in their sad bereavement.

For-mal-de-hyde.

This is the article which kills germs. It DOES NOT come in "white powder" but in a gaseous form which is mixed with water, and this forms the "Formalin" (for 40 per cent Solution Formaldehyde of Commerce).

For-mal-de-hyde Inhalers are the invention of Dr. Geo. Leininger, and are a unique device whereby Formaldehyde is exhibited in convenient form for nasal inhalation by means of a new Aluminum Inhaler.

Formaldehyde is DEATH to MILK GERMS, preventing fermentation. It also kills the germs of Catarrh and Consumption, which lurk in the air and lodge themselves in the nose and throat.

SEE the For-mal-de-hyde Inhalers in our window. Buy one for 50c. Use it. Sent by mail upon receipt of price.
