attendance," said Secretary Furnas after that the breach cannot be patched up and the gates closed this evening. "More the populist delegates from Boyd county people paid for admission to the fair today left for home very angry because of ill- Much of the early planted corn is now than on any corresponding day of any treatment from Hon. James G. Kruse, the fair for several years back. Wednesday chairman. and Thursday will be the big days and I believe the attendance on Thursday will eclipse all former records."

County Collective Exhibits.

The agricultural and horticultural resources of the state are shown to good advantage in two buildings that are devoted exclusively to products of the farm. In the agricultural building are displayed the county collective exhibits of cereals and vegetable products, while in the hor-

of apparently abnormal growth are displayed from York county, while Howard with an unsually large attendance, escounty presents a collection of watermelons that would do credit to an Alabama plantation. One watermelon from this county will have to be added. The instructors weighs sixty-five pounds and ten together are: Prof. E. B. Sherman, superintendent;
