TO THE Editor of The Omaha Bee: We have been considerably worked up over the agitation of the 'embaimed milk' question and, to satisfy myself that my family is not subject to disease and death from such a cause. I tested the milk furnished to me by the Ak-Sar-Ben Dairy, I used the hydrochloric acid test and could not discover any trace of formalde-hyde or similar preservatives. This test was made without the knowledge of Mr. C. P. Wilson, the proprietor of the dairy named and I am satisfied that the milk furnished by the Ak-Sar-Ben contains no deleterious preservatives. E.
