A FEW MORE LIES NAILED

In the closing hours of an exciting primary election contest, followed the next day by the nominating convention distracting my attention, it was imposreports of the republican primaries.

It was charged that "D. E. Thompson sand dollars into the primary fight theres in the interest of Rosewater and it is a significant fact that a confidential agent of Thompson from Lincoln was closeted with Rosewater much of the returns as fast as they were received from the various wards."

This story I brand as a downright falsehood without the shadow of foundation, I have not seen Mr. Thompson for nearly two months, nor have I had any communication with him directly or indirectly. I have never had a penny of his money except as he may have paid for copies of The Beeas a subscriber. I have not solicited his sympathies were, if he had any, in the Omaha primary. No agent of his has been closeted with me at any time prior

It is charged by the same organ that from \$10,000 to \$15,000 were expended by me in the contest, a great part of which was drawn out of the national census figures are certain to verify this committee funds. This is not only statement. When our competitors shall false, but absurd. The publicity bureau spoken in their opinions on the subject. read the official reports showing, the of the national committee under my dence, clerical force, newspapers and literature, for every dollar of which vouchers are furnished to the executive abnormally fast, either in number or committee at Chicago. Not a dollar of this day.

Every dollar expended in the contest course prosperity conditions have been and it is hardly necessary to contradict E. ROSEWATER.

TROUBLES OF THE FUSIONISTS.

Shades of the great' Four years ago.
Thy pen for gold was ever first.
And now, alas' you needs must go.
And clamber into bed with Hearst.
Oh, prince of trusts, be with us yet;
We can't forget—we can't forget! Thy Delphic letter we have read.

And marvel much, Oh, mighty chief!
What! Valentine with Altgeld wed?
A match like this is past belief!
Lord of finance, be with us yet. We can't forget-we can't forget Leagued with the mob and God's accurat,

And all in freedom's name, oh, Lord, Thou hast the poisonous praise of Hearst, And that alone is thy reward; But we have all thy pamphlets ye To read and learn-lest we forget

a mortgage indebtedness of \$700 against WYMORE, Neb., Sept. 8 .- To the Editor small. Well, there it stood, on the main of The Bee: I am a commercial traveler business street, but at the extreme and

his farm, besides paying doctor bills for his sick wife, and is now in comfortable financial circumstances compared with four years ago. He has ceased calling his son Bryan, but calls him William and will this fall vote for the other William. He is thoroughly converted and not ashamed to own it. Grand Island Independent: The St. Paul

Phonograph argues that the farmer is worse off now than he was in 1896 because any in the last four years. Their answer ing commercial traveler would be seen the things he has to buy have increased four times as much as the price of that which he has to sell. It says: "The lumher he (the farmer) uses costs him onethird more. His sugar costs him one-Fairbury, I read in the Omaha World- windows but what are full of holes large fourth more. All things which the farmer Herald, under these scare lines, "Destruc- gnough to throw your hat through. Comhas to buy have 'averagely' increased in price four times as much as the increase mercial travelers would not stop there; Special Dispatch to the World-Herald.
WYMORE, Neb., Sept. 5.—John T. Bahr, proprietor of the Central hotel, this city, has advertised his business for sale and will cease to play the genial boniface. In expianation of his determination, Mr. Bahr vigorously arraigns the McKinley administration and announces his intention of voting for Bryan. in price of the things he has to sell." If this is true at St. Paul that city is a very poor place for the farmer to sell what he has or to buy what he needs. The farmer who came to this city four years ago with 100 bushels of corn received for the same on for each day, but the people who about \$9, with which he could have bought registered were not commercial men. They 14812 pounds of sugar. On the same date, were from Diller and other small towns June 1, this year, he could have received 434 pounds of sugar. These prices were given by a local grocer.
