RACE-GOERS MAD WITH JOY

Unexpected Victory of Imp in Second Special Results in Rare Demonstration.

PEOPLE SHOUT THEMSELVES HOARSE

Wonderful Black Mare Scores Victory Over such Cracks as Ethelbert and Kinley Mack at the Gravesend Track.

NEW YORK, Sept. 15 .- Imp, the black whirlwind, the popular ideal of regular and casual race-goors allks, won the ascond suscial at Gravesend today at the inertive price of 7 to 1. She won amidat the wildest enthusiaam, with the Brooklyn and

Suburban hundleap winner, Kinley Mack, the mighty Ethelbert and the good 3-yearold Musicekin behind Ler.

Ethelbert was a but favorite, backed McMeckin was second chilice at 18 to 5. Kinley Mack was held at 5 to 1, while Imp was the outsider, opening at 5 and elesing at 7 to 1, although there was a little 8 to 1 and 9 to 1 against her at

times. The third break was acceptable to the starter and he sent them off for the mile and a half journey. Imp broke last, but Burns quickly took her to the front and she showed the way down past the

grandstand, with Kinley Mack, McMeekin and Ethelbert a length hahind. She went along at her own pace and there was no change in the order around the near turn and up the back stretch. At the end of a mile McMeekin rounded up a little and Turner, on Ethelbert, was already beginning to ride with his hands to keep his mount up. On the far turn Kinley Mack and McMeekin both moved up to the black mare, but Burns let out a wrap and she showed the way into the estretch with

everything driving behind her. McMeekin challenged resolutely when straightened out, but soon dropped back, beaten, and it was left for Kinley Mack and Ethelbert to fight it out with her. Their boys rode desperately with whip and spur, but in vain, and the wire was passed with Imp a length in front of Kinley Mack, who was a length in front of Ethelbert, McMeekin whipping the field in.

Every small better in the enclosure must have backed the mare, as such an ovation has rarely been accorded to a thoroughbred as greeted her as she cantered back to the stand. Her time, 2:34 1-5, was only one-fifth of a second behind her own track record, made in the same event last year. Five horses finished heads apart in the Holly handicap, Conroy, Dublin and Bellario being the first three. The first named was the favorite and in the first break would

have won easily. Of the five horses which started in the steeplechase three fell, but Count Navvarro was remounted by a stable hand and finished so as to get third money. Sum-

Milwaukee Promoter Gets a New Stem and Has Another Bright Dream.

MILWAUKEE. Sept. 15.—August Koch, who tried last year to purchase the De-troit League club, and Joseph O Brien, who was a candidate for the secretaryship of the American Association of base San Clubs, both of Milwaukee, are on their way to Philadelphia for the purpose of making another effort to organize that association for next year. The plan is to have the cir-cuit comprise Chicago, Milwaukee, St. Louis, Detroit, Philadelphia, Baltimore and Washington.

Louis, Detroit, Philadelphia, Baitimore and Washington. Since the failure to establish this asso-ciation last year it is said there has been considerable hustling and the scheme is now on a fair way to success. It is said that Alderman Charles Havenor of Mil-walkee is to own the Chicago team, which will include Gus Koch of the Philadelphias and McGraw of the Baltimore club. Former Senator Clark of Montana is said to be one of the principal backers of the scheme.

and after advancing it about ten yards host it on downs. The High school then punted for thirty yards and the college men got the ball across the gridiron by line bucks for steady gains. Cook made a touchdown and Herry kicked an easy goal. Time, 14:06. At the close of the half the ball was near the center of the field. Score, 6 to 0. A few words will tell the story of the sec-ond half. The college men kicked off, but soon got the ball and by steady gains on line bucks McDonald got a touchdown, but they failed on try for goal. The rest of the game was simply a repetition of the same tactics. The weight of the college men told on the lighter High school boys and they were wholly unable to withstand the steady line bucks. Edgerton got a touch-down and goal was kicked. Full score, 17 to 0. Referees, J. E. Akers of Alliance and J. Golden of Nebraska City. Time, 15:00.
