Burlington Quietly Acquires Stock of Kansas City & Omaha.

LOCAL OFFICIALS LOUD IN THEIR DENIALS

Report of President Perkins Makes Public What Attaches at Headquarters Took Pains to Keep to Themselves.

The annual report of President Perkins of the Burlington system, which has just been issued, shows that the securities of the Kansas City & Omaha Road have been purchased by the Burlington...

At present the Kansas City & Omaha is being operated in a measure independently of the parent system, although joint traffic arrangements have been operating since the purchase was made.

The suggestion comes from Lincoln that the Burlington will probably connect with the lower end of the system when it takes charge of the road.

READY FOR THE ROUGH RIDER

Republicans Preparing a Monster Demonstration in Honor of Roosevelt.

THOUSANDS OF VOTERS WILL WELCOME HIM

Reception at Omaha to Be a Fitting Culmination to His Triumphant Tour Through the State.

When Governor Roosevelt alights from his special train at the Webster street station next Thursday night he will be accorded such a reception as has been given to but few of the public men who have visited Omaha and one which will demonstrate to the entire satisfaction of the city's distinguished guest that the republicans of Douglas county are the very antipodes of apathetic in the present campaign.

As planned by the men who have the matter in charge, the reception to Colonel Roosevelt will be a fitting culmination to what it is confidently believed, will be a triumphant tour of the state.

Already it has been found necessary to make arrangements for the governor to speak at four different places in the city and if the time allotted to his stay in the city were longer it is more than likely that another appointment or two would be arranged.

THE SPECIAL TRAIN BEARING THE GOVERNOR and his party will arrive at the Webster street depot at 7:30 in the evening and will be met by one of the largest processions that has ever formed in the city.

As soon as the distinguished party has entered the carriages, which will be in waiting, the Rough Riders will close in and the parade will start.

GOVERNOR TO SPEAK FOUR TIMES. When Governor Roosevelt has completed his address at the tent he will be taken at once to one of the places where he is to appear and his work will not be ended until he has spoken at each of the four places designated.
