### BEAU GALLANTTAKES MATRON

Spencer on the Hitherto Unbenten Commando Goes to Sleep and Loses Big Race.

NEW YORK, Oct. 2.—Beau Gallant won the Matron sinkes at Morris park today, a half length before the olds-on favorite, Commando. Bullman brought him up with a fush in the last sixteenth and catching Spender napping. a fush in the last sixteenth and catching Spencer mapping was first past the jildges for the coveted prize. This was the opening day of the fail meeting of the Westchoster Eacing association. It was a perfect full day and an unusually big crowd was in attendance. was the gathering place of the seciety element and the big grandstand was comfortably filled.

There were ten starters for the Matron stakes, Elizabeth M (William C. Whitney's recent purchase) and Sweet Lavender being added at the last minute. Commando, the unbeaten here of the year, was a hot favorite at 2 to 5, while the Whitney entry was next in demand at 5 to 1, the others ranging from 15 to 60 to 1. There was a strong play on the Hildreth entry. Beau Gallant and Telamon, toward the end, but 20 to 1 was held without froncis. A long delay of thirty minutes at the post, caused chiefly by Commando, was annoying, but this was forgotten in the excitement of the race. On the break, which was a bad one for Beliarle and Ashea, Commando sverved out in the track but Spencer soon get him straight and went after Elizabeth M, Sweet Lavender and The Parader, who were quickest to move. At the dip Commando took the lead and was seen two lengths in front, with Spencer crouched ever his neck. The boy thought he had the race in hand and was apparently winning easily, when Bullman brought Beau Gallant up with a rush on the rail. Spencer did not see him until it was too late to get his mount going, as to all appearances he was caping up, and heau Gallant won the victory.

The other fixtures were the Munhattan as, to all appearances be was easing up, and Beau Gallant won the victory.

The other fixtures were the Manhaitan handicap, which went to the faverite. Firearm, a head before Bells of Lexington, and the Jerome handicap, which the western horse Alcedo won cleverly frem Genfalon and McMeetin. Firearm was the only favorite to win. The stewards suspended Spencer for a week for careless riding. It was also rumored that the entries of S. C. Council Can Buy the Land Desired Without Submitting Proposition to Voters of the City.

Appraisers of the proposed park on the Bluff tract have placed the value of the land at \$49,496, a sum which brings it within the \$50,000 limit and makes it possible for the council to buy the land without submitting the proposition to the voters of the city.

The piece of land is irregular in shape and comprises about twenty-four acres Most of the ground is in a long, narrow strip extending along the edge of the bluff from Wirt street to a point a short dis tance north of Manderson street. A strip of land is included which connects the park with Wirt street and another strip conneets it with Keuntze park. On the north

the plot touches Sherman avenue. Although but little frontage on Sherman venue is included in the proposed park, it embranes many of the beautiful trees which Dodge of Boston, John W. Parish, Gus will siferd a beautiful view of Cut Off lake. the Missouri river and the Iowa hills.

There was a large attendance and some good playing. To date Omaha has a lead of 553 points. The games are for the championship of the two cities. Considerable speculation made last night's match especially interesting both to players and spectators. The score:
