ADMIRABLE BEHAVIOR

Well Organized and Well Conducted Strike of the Cont Miners

There never has been a strike in the coal egion so well organized and well conducted as the present has been and it has utterly baffled the expectations of those who assumed that the miners would seen fall out among themselves or that they would be led into violence and destruction that would drive the orderly element out of the strike and back to work. Nothing of this kind has occurred. The only serious breach of the reace was brought about by the officers of the coal exponations and the military hastily called out have found nothing at all to do.

A hundred and fifty thousand men are violence of language or any histerness of quote the name of Abraham Lincoln in sup- and dignity and have been temperate allha pressing them. In this way their cause has enlisted universal sympathy and the strike has been won because it has the support of ablic sentiment

The fact is apparent to the muse owners and these who control the great coal cor porations. It is not what they expected and they may hesitate for a time to acknowledge it, but that they will yield to the necessities of the situation is inevitable The justice of the miners' demands is virtually admitted and every consideration demands a full and generous adjustment of
