ause) There should be favoritism for none and scrimination against none. I wish on this There should be favoritism for none and discrimination against none. I wish on this point to appeal not only to republicans, not only to gold democrate, not only to those silver democrates who from high and conscientious motives are with us in this contest, but I want to appeal to the mis-guided men who have held the other sid-in the wrong they have done-men who are told, as I heard a democratic candidate for congress say the other day. "I am for the democracy. I will do anything that he right and I will do anything that he right and I will do anything that he wrong to help the party." (theres) (Continued from First Page.)

Nelson said he and Judge Askew were Democrats at Explanation Point. We have reached a stage in the cam-paign when our opponents are engaged in busily explaining either their actions or their words. Mr. Jones, the chairman of the Bryanite democracy, has just been ex-plaining that he is not connected with trusts, because the cotton bale trust is not a trust. Of course, using the word in a technical sense, there is no trust in the country. The sugar trust and the Standard

rights of the defendants would be preserved their under the law.

but simply great corporations. So cotton bale trust is in the same sense of was testifying the door of Youtsey's roon, was opened and he could be heard groaning and sobbing hysterically. Judge Cantrill said he had no discretion in the matter and that the trial must pro-ceed. The commonwealth was given till 2 o'clock to say whether it will object to allowing Youtsey to remain in the jury

category. On Saturday last, in Ohio, Mr. Brya tried to defend himself for what he ha said about our army, answering criticisms. He first of all stated that I C food teiams. He first of all stated that I h need my position since my Detr ech, which is simply not so. I sta-closely where I stood then, and X an either knows this or ought to ku Our regular army is infinitesimal compared with the population, a n Mr. Bryan ought not to be affaild isi-log of a regular soldier for ev-umand of our people. In the peet picchanged even Mr.

the skiller of a regular solder for ever-thousand of our people. In the next place Mr. Bryan sought refuge in saying flat the army bill had been amended. It is of course, idle to guibble about amendments. The present law is what he was speaking of and what I was speaking of. At present we have an army of 100,000 men, 55,000 of whim are regulars, and it was concerning this army that Mr. Bryan spoke when he stated that the object of getting it was to terrorize the laboring men when they made that demands. It is impossible to stigma-tize too strongly such a statement. If does not contain a schillia of truth, it has not a particle of foundation, it can only ap-peal to thoroughly bese and unworthy pas-sions.

Democrats Voted for Army Bill

The bill was voted for by the great m ority of the patriotic democrats of be cuses Does Mr. Bryan mean to imp houses Does Mr. Bryan mean to imply that these democrats in so voting, headed by Senator Cockrell, were neturated by the purpose to put the army in forts near great cities in order to terrorize working the What he says applies as much to the democrats who vated for the bill as to the resultions, and if such a statement is shanderous as regards some of the support-ers of the bill it is also shanderous as re-Bryan perfectly well know elligent man fores trouble in the Phi be trouble in the Philippines and that this reason as well as to garrison our coast forts and for other dities, such meeting a contingency like that wi-arose in China, the orms was provi-when Mr. Bryan advocated the signing the treaty with Spain he advocated taking of the Philippines and therefore storing and keeping order in them, su-he was so blind as not to foresee-trouble ahead the reflection is upon and upon no one class.
