Brooklyn Gets the Second Game of the Post-Season Series.

JIMMY WILLIAMS FURNISHES THE FEATURE

Four Misses at Third Base Give the Champions the Runs They Need to Win in Split of Good Pitching.

PITTSBURGH, Oct. 16.—Pittsburg put up a miserable exhibition of ball playing in the second game of the world's championship and presented the game to Brooklyn on errors. Leever's base on balls, followed by a wild throw, was responsible for Brooklyn's first run. After Leever pitched a fine game, but Williams' wild throw and O'Connor's drop of Billy's good throw to the plate to catch Kelly were responsible for the other three runs. Pittsburg could not hit Kilson effectively. The latter presented a run in the fourth by making a wild pitch when Wagner was on first base. The other run in the seventh was scored by O'Brien's two-bagger and his advancement by Williams' and O'Connor's cuts. Outside of the errors there were no special features and the game lacked interest. He attendance 1,800 was kept...

TURNER PUTS UP BAD RIDE

Kilshammer's Defeat in Dixiana Stakes Attributed to Poor Jockeyship.

NEW YORK, Oct. 16.—As if to offset the run of five winning favorites yesterday, only one was first by judges at Dixiana park today. King Harveymoon won the second choice players in the fifth race, but the others went down one after another.

The stakes were decided, the Silverbrook, for 2-year-olds, at five and a half furlongs, and the Dixiana, for 3-year-olds, at one mile. Competition in both races was named, ridden out, from Lief Prince. Thousands of dollars were bet on Harrier, forcing his price from 10 to 1 to 2 to 1, but he ran a bad race and was next to last at the end.

Goufalon took the Dixiana, but Kilshammer, the favorite, was pointed the best and should have won. He was a very bad race, so much so that it was said it would be investigated. Only three horses started, but the one that won the overland route and messed her badly in the stretch and then was only beaten by a neck. Goufalon made all the running. Water Cure was beaten off.

A heavy storm broke over the track as the horses went to the post for the fifth race. The rain came down in torrents and made the track very slippery. Harveymoon revelled in the going and, moreover, ran lightly for Burns, so that he won easily. Harveymoon outstayed Herbert and took the place easily.

ROSS HAS SUSPICIOUS FALL

Juggles at Newport Suspend Jockey Pending Investigation of Ride on Whitney.

CINCINNATI, Oct. 16.—Overcasts were in demand at Newport track today, as the weather was very cool. Lamby in the last race surprised everybody by coloring to a winner at odds of 50 to 1. Jockey Eddie Ross was suspended for riding on Q. H. Whitney, which is now under investigation. The horse ran into the fence turning for home in the third race, and the judges thought his fall looked too much like a steeplechase affair and decided to suspend him until they satisfied themselves that there was nothing wrong with the ride he put up. Track fast, six furlongs, selling.

RED SIGNAL AT LONG ODDS

Heavily Backed Outsider Captures First Race at Harlem.

CHICAGO, Oct. 16.—The sport was fairly interesting at Harlem today. Not a favorite won the first four races, but every winner was well backed and the bookmakers had a bad day. In the first race Red Signal, backed from 10 to 1 down to 2 to 1, won by a neck. Weather cloudy and cold; track fast. Summary: First race, five furlongs, Red Signal, 9 (Walden), 10 to 1, won; Lord Lion, 21 (Donnelly), 2 to 1, second; American, 11 (Grier), 10 to 1, third. Time, 1:22.5. SMITH GETTING INTO FORM

Preparations for the Battle with Oscar Gardner Are Going Ahead in Satisfactory Manner.

If careful and conscientious training has been given to the young fighter, Smith, the colored featherweight of this city, ought to win his fight with Oscar Gardner, a week from tonight at the Casino. Smith's confidence and determination are a criterion of his progress. A visit to the training quarters of the dusky little fighter disclosed the fact that he is in the best of condition and Edith Robinson, his trainer, proposes from now until the night of the fight to put his efforts toward building gradually Smith's weight. He has now four pounds over the required weight, 127 pounds, at which he will fight. He will weigh in at 131 pounds on the morning of the contest, and Robinson anticipates no difficulty in getting his man reduced within the limit agreed upon.

ECZEMA - SATANIC ITCH.

This most aggravating and tormenting of all skin diseases is caused by an acid condition of the blood, and unless relieved through certain instrumentalities too much of this acid poison reaches the skin and it becomes red and inflamed. The itching and burning are almost unbearable, especially when overburdened from any cause. The skin seems on fire, sleep or rest is impossible, the desperate sufferer, regardless of consequences, scratches until strength is exhausted.

THERE CAN BE NO EXTERNAL IRRITATION WITHOUT AN INTERNAL CAUSE.

External applications of washes, lotions and salves sometimes mitigate the itching and soothe the inflammation, but cannot reach the disease. Only S. S. S., the real blood medicine, can do this. S. S. S., the only purely vegetable remedy known, is a safe and permanent cure for Eczema and all deep-seated blood and skin troubles. It goes direct to the seat of the disease, neutralizes the acids and cleanses the blood, re-inforces and invigorates all the organs, and thus clears the system of all impurities through the natural channels; the skin relieved, all inflammation and all signs of the disease disappear.

AERAIK WORD WITH WOMEN

Are you startled by every little noise? Does the prattle of children annoy you? Does the creaking of a chair or the slamming of a door make you feel as if you would fly to pieces? Does your life seem a failure? Are you frequently cross and ill-natured? That condition indicates that you are suffering the torture of "female complaints". You get no sympathy—because others don't understand your suffering. They only know how you become nervous and excited with little apparent excuse. You have probably tried many remedies for irregular menstruation, falling of the womb or leucorrhoea. But you gave up in despair before trying the right one. We call that to your attention to-day. Wine of Cardui is a positive cure for all female diseases. It rehabilitates the unstrung nerves and strengthens the delicate and sensitive female organs. Menstrual disorders are the bane of women's existence. But with Wine of Cardui so easy to secure, it is the height of folly for you to go on enduring the torture and dragging ills. Do not allow these terrible diseases to steadily drag you to the grave. Time makes them worse. Wine of Cardui relieves them quickly and permanently. Try it when the first symptom appears. All leading druggists have \$1.00 bottles. Tully, Kas., Feb. 24, 1899. I have suffered untold pain at menstrual periods for a long time; had headache, and was tired all the time; was nervous; had no appetite, and lost interest in everything; in fact was miserable. I have taken four bottles of Wine of Cardui, with Theford's Black-Draught when needed, and to-day I am entirely cured. I cannot express the thanks I feel for what you have done for me. Mrs. DELLA M. STRAYER.
