tells the whole story. As soon as a little girl is old enough to know anything about candy she knows that the name is a guarantee of goodness. That's the one thing she never forgets. If you present her with any other candy she will doubt either your affection or your judgment. It is about as hard to have her doubt one as the other. Our chocolates are justly popular with all lovers of good candy. They are always pure and fresh every day. We use none but the very best materials, and all our goods are made, handled and boxed with the utmost care. Try a box of our gold medal chocolate Bon Bons.

To Keep Their Digestions Perfect Nothing is So Sale and Pleasant as Stuart's Dyspepsia Tablets.

Thousands of men and women have found Stuart's Dyspepsia Tablets the safest and most reliable preparation for any form of indigestion or stomach trouble.

Thousands of people who are not sick but are well and wish to keep well take Stuari's Tablets after every meal to insure perfect. Idention and avoid trouble. But it is not generally known that the Tablets are just as good and wholesome for little folks as for their elders.

Little children who are pale, thin and have no appetite, or do not grow or thrive, should use the tablets after eating and will derive great benefit from them.

Mrs. G. H. Crotsley, 528 Washington St., Hoboken, New Jersey, writes: "Stuart's Dyspepsia Tablets just fill the bill for children, as well as for older folks. I've had the best of luck with them.
