South Omaha News.

A great many democrats are declaring themselves as opposed to the re-election of George Shields as city attorney. This opposition to Shields is being encouraged by Dr. Ensor and other democrats who were interested in the administration prior to the election of Mayor Kelly. It is openly stated on the streets that Shields gave the democrats here what is called in the slang of the street the double cross. As Shields broke faith with the democrats here he is going to be paid back in the same coin. At least that is what democrats who are in a position to know assert. The principal cry of leading democrats now is to defeat Shields at any cost and it is reported that every effort is being made by Dr. Ensor and his friends to carry out the program laid down. It is freely predicted that Shields will not get enough votes in South Omaha to make it worth counting them.

Democratic Meeting a Fiasco.

A few democrats, headed by Jim Bulla, tried to hold a rally at Frank's hall in the Second ward last night, but failed. Only a few of the followers of Bulla turned out to listen to the spiel made by C. V. Svoboda and W. E. Reed. The few who were present appeared to take a great deal more interest in what was going on at the last than in the Bryan harangue and the meeting soon broke up, much to the disgust of Bulla, Sexton and the others who had hired the hall.
