# **ESCAPED DREAD CONSUMPTION**

Peruna Used in Time Saved Her Life.

### All's Well That Ends Well

It is the same old story of exposure to cold. The cold passing down the bronchial tubes to the lungs; the developing of a settled cold on the lungs, coughing, consumption. Thousands of people have traveled it. Thousands more will travel it and the coming winter will develop an untold multitude of new cases. In the case of Helen Murphy, the end-

## POSITIVE FACTS FOR WOMEN.

All the world knows of the wonderful cures which have been made by Lydia E. Finkham's Vegetable Compound, yet some women do not realize that all that is claimed for it is absolutely true.

If all suffering women could be made to believe that Mrs. Pinkham can do all she says she can, their suffering would be at an end, for they would at once profit by her advice and be cured.

To all doubters Mrs. Pinkham can furnish the most positive and convincing proof of these facts.

First -- Lydia E. Pinkham's Vegetable Compound holds the record for the largest number of absolute cures of any remedy for female ills ever known in this country.

Second - Mrs. Pinkham has on file millions of letters from women who have been restored to healt, by the use of her Compound, and all that she claims can be verified by an examination of her records.

Third - All letters addressed to her at Lynn. Mass., are received, opened read, and answered by women only. This is a sacred confidence never violated. No testimonial ever published without the writer's full and free consent in writing.

#### "Lydia E. Pinkham's Vegetable

Compound saved my life and gave back a loving mother to eleven children, which was more than any doctor could have done or any other medicine in the wide world. My trouble was childbed fever. The third day after my babe was born I took a chill, which was followed by a high fever. I would perspire until my clothes were as wet as though dipped in a tub of water. The chills and fever kept up for three days. My daughter got me a bottle of your Compound. The fourth dose stopped the chills, and the fever also disappeared. My life was saved. My age at this critical time was fortyaine."-Lydia E. Bougher, Etna, Pa.
