Donne College Sends Word that it Cannot Meet the Omaha Medics Today.

Manager D. F. Lee of the Omana Medics foot ball team has announced that the game scheduled for today in this city between Doane college, Crete, and the Medics will not be played. The manager of the Doane team sent word to Mr. Lee that his players would be unable to put in an appearance for the reason that several of them are badly crippled and ill-conditioned to meet such formidable foes as are the Medics.

"This unfortunate necessity of canceling the game is very annoying to me," said Manager Lee, "and is a matter of regret to all the members of the team. Following right on the heels of our disap-

man having shown wonderful improvement, in the splendid work that has been done lor. We will be in fine fettle for our game with Drake university November 24 and with the Rush Medics Thanksgiving day. It is a foregone conclusion that, had we played the game scheduled with Doane, we would have bagged another victory. Last Saturday Doane met Hastings college and won by a score of 5 to 0. This is

somewhat significant when it is remembered that we defeated Hastings college the Saturday preceding by a score of 21 to 0. of our beloved daughter and sister, Matilda. Basing the comparative strength of the MR. and MRS. A. CARLSON and CHILtwo teams on the showing each made against Hastings, no one can deny our

right to have predicted an easy victory." FAMILIES OUSTED BY FIRE

Three Residences in Dundee Burn Shortly After Midnight and Contents Are Mostly Consumed.

At 2 o'clock yesterday morning fire destroyed three dwellings in Dundee place. The fire originated in the residence of a Mr. Chapeck From this house the occupants escaped without injury, but were unable to save anything. The flames were rapidly communicated to the houses to the north and south and they were totally destroyed. They were occupied by families named Patton and Potts. At the latter house most of the furniture was saved.

The Walnut Hill engine house sent its crew and machine to Dundee and succeeded in saving three houses on Fifty-first street which were threatened. It is believed that the fire was caused by the explosion of a soft coal stove. The house occupied by Patton was owned by William Baird of Omaha and was insured.

Made Young Again.

"One of Dr. King's New Life Pills each hight for two weeks has put me in my 'teens' again." writes D. H. Turner of Dempseytown, Pa. They're the best in the world for liver, stomach and howels, Purely vegetable. Never gripe. Only 25c at Kuhn & Co.'s drug store.
