Weak Nerves
 People cannot help worrying when their nerves are weak. That feeling of languor, dullness and exhaustion is the fearful condition which often precedes insanity. The power to work, study and amuse oneself disappears, and the mind is left as if in a fog. If you are suffering the tortures of nervous debility, there is no knowing how soon you may decline to something more horrible. But you can get well. The youthful strength, buoyancy and happiness can be restored by the use of **Sex-in Pills**.

DYSPEPSIA.
 Geo. E. Scully of 5 Nassau St., New York. "For years I have been troubled with rheumatism and dyspepsia, and I came to the conclusion to try your pills. Immediately I found great relief from their use. I feel like a new man since I commenced taking them, and would not now be without them. The drowsy, sleepy feeling I used to have has entirely disappeared. The dyspepsia has left me and my rheumatism is gone entirely. I am satisfied if any one so afflicted will give Radway's Pills a trial they will surely cure them, for I believe it comes from the system being out of order—the liver not doing its work."

GLOOM AT THE STATE HOUSE.

Popocratic Patriots in the Dumps Over the Result of Elections.

WILL NOT CONCEDE Poynter's DEFEAT

Fred Jewell insists that he can count the governor in and that official figures will show he is right.

LINCOLN, Nov. 9.—(Special).—The political friends of Governor Poynter in this city have announced positively that they do not concede the election of Charles H. Dietrich until the official vote is canvassed and it is shown that he has a majority over their own candidate. Secretary Fred Jewell claims to have discovered errors in the returns published in the newspapers and insists that the official and final count will show that Poynter will win by a plurality of from 400 to 1,100 votes. Chairman Edmisten and a corps of assistants are still at work tabulating figures at headquarters, but instead of making claims, he privately admits to associates that he has no information which indicates that any of the fusion candidates for state offices were elected or that there will be a fusion majority in the legislature. At the state house it is now generally admitted that the fusionists are left without any of the state offices. Many of the state house employes were expecting appointments, but they have given up hope and without an exception they have declared that politics is unprofitable business. The official vote will be canvassed at the state house on November 19. Returns from ten counties were received at the secretary of state's office today and it is expected that most of the state will be heard from by Saturday evening. If the county clerks follow the instructions of the secretary of state they will forward a duplicate abstract of the vote, to be opened when received. The official returns cannot be opened until the canvassing board meets, but the duplicate returns may be opened at any time. Counties heard from today are Keith, Stanton, Garfield, Johnson, Thurston, Sarpy, DeWitt, Douglas, Gage and Saunders. The figures contained in the duplicate returns from these counties do not differ materially from those printed in The Bee.

SERIOUS FIGHT OVER POLITICS

Partisans at Bartley Quarrel and End the Dispute with Pleas and Knives.

BARTLEY, Neb., Nov. 9.—(Special Telegram).—S. C. Wolfe's restaurant furnished a quarter of a dozen political rights which were fought out with much more or less of a serious character. Jacob Kern, the B. & M. section boss, and Luther Bush had a few words over politics and went outside to settle their differences. Bush had one arm disabled by a broken bone, but made up the deficiency with a knife which he used freely, inflicting several serious wounds on Kern, one barely missing the heart and penetrating the left lung, which may prove fatal.

Shoots from Ambush.

TECUMSEH, Neb., Nov. 9.—(Special).—William Madden, a young man who resides near Crab Orchard, has been shot at twice within the last week. Mr. Madden is a member of the band of Great Horned, and as he was returning home after band practice Thursday night last some one fired at him from behind a hedge fence and escaped in the darkness before his identity could be learned. The offense was repeated Sunday night. Mr. Madden's assailant fired at him from ambush again, and again evading identification. The shot fired Thursday night missed Mr. Madden entirely, but Sunday night the bullet punctured his hat and barely missed his head.

Paying Election Bets.

WYOMORE, Neb., Nov. 9.—(Special).—In payment of a freak election bet Joseph Stein, a blacksmith of this city, sat in a big arm chair on top of a 34th street ferry boat for two hours today and at intervals of five minutes yelled for William McKinley. The wind was cold, but it did not keep away a crowd of Stein's political opponents, who had much fun with him in his uncomfortable position. Had Bryan been elected James Giles, the liverman, would have been seen in Stein's role.
 Mrs. William Hamilton, a Bryan supporter, will do the family washing of her republican neighbor today as the result of an election wager.

Fremont Charity Ball.

FREMONT, Neb., Nov. 9.—(Special).—The annual ball of the Fremont Charity club was given last night at Masonic hall, which was tastefully decorated for the occasion. The color scheme was pink. The windows were hung with that color and all the lights thrown through pink shades. Music was furnished by Plambeck's orchestra, which was stationed behind a screen of palms and pink chrysanthemums. Refreshments were served in the Fremont club rooms. The walls of the large hall were hung with an artistic display of posters. Over 200 guests enjoyed the occasion.

Tecumseh Republicans Celebrate. TECUMSEH, Neb., Nov. 9.—(Special).—A big rallying demonstration was indulged

in here by local republicans last evening. A monster bonfire was kindled on the main street of the city and noise was rampant. But the republicans are feeling so decidedly good over such an unprecedented victory that they do not propose to stop rallying yet. Tomorrow night another big demonstration will be indulged in. The band has been secured, all the noise-producing instruments of the community will be pressed into service and a program of "whoop'er up" features has been provided.

Plan Big Celebration.

YORK, Neb., Nov. 9.—(Special).—York county will ratify the republican success all day Saturday and Saturday night of this week by roasting an ox and having good speeches by prominent speakers. York county, under the efficient leadership of Chairman McCloud and his able assistants, did noble work and have reason to rejoice over the success and increase in York county's vote. About \$200 was raised at Wednesday night's meeting to pay expenses of the ratification. The money donated was part of the fusion money but lost to republicans.

Mr. Hersman sustained a fractured arm and several broken ribs.

Train Leaves the Track.

ST. EDWARD, Neb., Nov. 9.—(Special).—A wreck delayed the 2:30 p. m. train on this branch last night six miles east of here for several hours. The tender and baggage coach left the track and ran along on the ties and across a bridge for fifteen rods, tearing up the tracks as it went. The passengers were considerably shaken up.

Wrecked by Open Switch.

SUPERIOR, Neb., Nov. 9.—(Special).—An open switch in the Burlington yards was the cause of a wreck yesterday. An engine, belonging to train No. 66, ran into the switch and struck a box car. The car was wrecked and the engine was rendered useless and has been taken to the Wyomere shops for repairs. No one was hurt.

Gage County Will Celebrate.

BEATRICE, Neb., Nov. 9.—(Special Telegram).—Gage county republicans will hold a grand rally on tomorrow night which will be participated in by the entire county. For a Cold in the Head.

LAXATIVE BROMO-QUININE TABLETS.

FIRE RECORD.

Gymnasium at Notre Dame. SOUTH BEND, Ind., Nov. 9.—(Special).—Started about 3 o'clock this afternoon in the gymnasium at the University of Notre Dame, destroyed the structure. Two alarms were sent in, but the flames could do no work to protect adjoining buildings. The building was of steel and brick and was one of the largest college gymnasiums in the world. It was erected in 1888 and 1889. It was large enough to permit foot ball and base ball practice, had a track, baths and in every way was perfectly equipped. While the flames were still raging the university trustees held a session and voted to replace the structure with another gymnasium. The loss is about \$20,000, with insurance for full amount. Origin of fire unknown.

Paying a Freak Election Bet.

DEADWOOD, S. D., Nov. 9.—(Special).—A unique election wager is being carried out in this city. Miss Marie Knowles, daughter of Freeman Knowles, ex-congressman, wagered with a young man that in case of McKinley's election, she would walk from the city hall to the Bullock hotel every day for a week, wearing a frock coat and silk hat. In case of Bryan's election, the young man was to wear her jacket and summer hat, walking the same distance the same number of days. Miss Knowles intends to carry out her part of the wager.

A FAMOUS SEA CAPTAIN

Tells How Peruna Restored His Health.

Captain R. E. Tull, well-known in Chesapeake Bay and all along our Atlantic coast, is a man of splendid physique and now excellent health. He is also a friend of Peruna.
 Among the many things which he has said about the world-famous cathartic remedy, Peruna, may be cited the following letter written from Norfolk, Va., to the Peruna Medicine Company, of Columbus, Ohio:

"After suffering for years with catarrh and bronchial trouble, I was advised by a friend to use Peruna, and after the use of one bottle I was relieved of my trouble. I take pleasure and feel it is my duty to recommend this remedy to all fellow-sufferers. Besides giving an absolute cure for catarrh, it is one of the best of tonics."
 R. E. TULL.

The life of the sea captain especially exposes him to catarrhal ailments. Day and night he is exposed to the fiercest gales and storms.
 No class of men appreciate more the value of Peruna. It not only cures them when a cold has become thoroughly settled in head, throat or lungs, but a proper use of Peruna prevents them from taking these colds.
 Captain Tull has commanded some of the largest vessels that cross the Atlantic and is personally known to thousands of people who have met him on board of vessels. He is now captain of the big Chesapeake Bay steamer Norfolk.
 Chronic catarrh often makes its approach in disguise. Before a person knows it he may become a victim of chronic catarrh.
 Its onset may be gradual, its development insidious, and at last the victim finds himself in the clutches of a tenacious disease.
 A slight cold, a tendency to sneeze, a puffiness in the nose, stringy mucous in the throat, slight cough or wheeziness—any one of these symptoms should be regarded as a warning.
 What can be cured in the beginning in a week or two, by using Peruna, if allowed to become chronic, may require months of faithful treatment.
 Peruna is the remedy for such cases; almost everybody knows that by hearsay, and thousands know it by blessed experience.
 You had better take Peruna now, for by and by you may be obliged to take it a long time in order to get well.

November is the first month of the winter catarrh season.

At the approach of the coldest symptoms of cold, Peruna should be taken. This will prevent a long siege of head and throat catarrh, which may last all winter and perhaps a lifetime.
 "It which in time saves nine." One bottle of Peruna taken at the onset of catarrh is worth its weight in gold to any man or woman. There are no substitutes for Peruna. Peruna has been Dr. Hartman's only remedy for catarrh for the last forty years.
 Address: The Peruna Medicine Co., Columbus, O., for a free copy of their new catarrh book.

Peruna has been endorsed by over 50,000 prominent citizens of the United States, including the following prominent persons:

- Senor Quesada, of the Cuban Legation, of Washington, D. C.
- Booker T. Washington, of Tuskegee, Alabama.
- Belva A. Lockwood, 619 "F" St., N. W., Washington, D. C.
