### ALL NEWS NOW GOOD NEWS

Late Returns Make Certain Republican Governor and Legislature.

### FUSIONISTS YIELD NEBRASKA TO MCKINLEY

Chairman Hall is Also Dubious About Legislature—Partial Figures Show Balance of Ticket Will Outrun Dietrich.

### Any Children?

Then we'll guarantee they have had colds. No child escapes. It's either a hard cold, the croup, bronchitis, or the whooping-cough. There's but one remedy. It's just what your grandmother always kept in the house—Ayer's Cherry Pectoral, the family cough medicine.

are sparsely settled and if every vote contained in them went to Poynter, Dietrich would still be in the lead. You can be sure that Dietrich's majority will pass 1,000.  
Our present calculation of the legislature shows fifty-three republicans in the house and seventeen in the senate, a majority of three on joint ballot. There is a good chance that we will get another vote through the success of Van Boskirk of Alliance, who has been slow in getting returns from his district, 250 miles long. He has a disadvantage of only 100 to overcome, with Brown and Rock counties, both republican, to hear from. Then, it is probable that we will secure two more votes in Douglas county than we have put in our estimate, so the legislature is safely republican.  
"As to the congressional districts, we can only safely count on the First and Second. Kindred has the state by at least 5,000. Mr. Hall is apparently dubious also as to the legislature and makes no definite claim that it will be democratic.  
"The outcome is doubtful," he says, "and will depend largely on the result in Douglas county. We are uncertain as yet just what the county figures will show."  
As to the state ticket Mr. Hall prefers to wait a day or two before giving up. He still adheres to his belief in the election of Poynter and his colleagues. Mr. Hall is certain that four congressional districts will send democrats to Washington. "Kindred has made a run in the Sixth that surprised us," remarked Mr. Hall, "and we do not begrudge it to him, because he is a gentleman and a good fellow."  
Considerable speculation has been indulged in as to the fate of the state ticket as regards the officers under Dietrich. No effort has been made as yet to compile any general tables on the minor state officers because the attention of the state commis-

tee has been wholly concerned with the close race among the heads of the ticket and the legislature. Returns have been received, however, from eleven counties on lieutenant governor and secretary of state which indicate that the balance of the ticket will run ahead of Dietrich by 2,000 votes. The table showing the score of Savage and Marsh, republicans, and Gilbert and Svoboda, democrats, for lieutenant governor and secretary of state, respectively, is as follows:

	Sav. Mar.	Gil. Svob.
Pawnee	1,578	1,074
Kimball	1,115	729
Dakota	848	674
Fannin	2,277	1,570
Saline	2,122	2,083
Washington	1,547	1,255
Merrick	1,131	987
Dawson	1,271	1,255
Dodge	2,455	2,463
Keith	512	219
Jefferson	1,758	1,579
Totals	14,438	14,390

Dietrich's score on the counties given above is 14,263 and Poynter's 13,550, a majority for Dietrich of 713. Savage's lead over Gilbert, however, amounts to 928 and Marsh's advantage over Svoboda foots up 1,000. If Savage and Marsh are able to run over 200 ahead of Dietrich in eleven counties taken at random it is reasonable to suppose that they will increase their lead to 2,000 in ninety counties.

As soon as the press of congratulations is over and the final business of the campaign is wound up the republican state headquarters at the Her Grand will be closed and whatever matters need looking after will be handled from some small office not yet selected. Even this modest apartment will probably not be maintained after the legislative convenes, as it is probable that headquarters will be open in Lincoln during the winter.

**Death Record.**

### JUDGE GORDON ON TRIAL

Second Day in Impeachment Proceedings Consumed in Wrangling Over Evidence.

Yesterday's session of the Gordon impeachment case before Judge Dickinson resolved itself into a struggle on the part of the attorneys for the defendant, on the vigilant lookout for technicalities that will serve the purpose of getting the case dismissed without going to the judge for decision, haggled over each bit of evidence with a persistency that took time and barred progress. For the most part their efforts were unavailing, as the judge overruled nearly all the objections. There were other objections to the ruling of the court that indicated the intention of the defense to carry the case to the supreme court in the event of being beaten on the present hearing.

### Morrissey Must Renounce Himself.

Judge Dickinson has issued an injunction restraining Michael Morrissey from molesting his wife or harassing his children pending a hearing of the application of Mrs. Morrissey for a divorce. The petition for a separation filed with the clerk of the district court specifies that Morrissey has been guilty frequently of cruel conduct to members of the family. It is stated that after Mrs. Morrissey's return from the Douglas county hospital last week her husband returned home one night and assaulted the nurse at his wife's bedside, afterward striking the children. The Morrisseys live at 3221 Webster street.

### Smallpox Interferes with Court.

The term of court at Tekamah, which was to have opened Monday with Judge Hebble on the bench, has been postponed till December 3, owing to an epidemic of smallpox in the town and vicinity. Word was

### sent to Judge Dickinson yesterday asking

him to make the order necessary to the postponement. There are two cases of the disease in town, and in the adjoining neighborhood new cases are being reported every day, making it hazardous for people to visit the locality. The request was sent to Judge Dickinson by the Tekamah Board of Health, Judge Estelle, who was to have gone to Bart county Monday, will remain and call the docket here instead.

**Court Notes.**  
Judge Vinsonhale has dismissed the case against John W. Berger for committing a statutory offense, because the complainant, Irvin O. Dean, failed to appear to prosecute. The case of the state against Clifford Cole on the charge of keeping a gambling house, preferred by Sophronia Bradley, has been dismissed in the county court for the want of prosecution.  
The United States National bank and others of Holdrege, Neb., have instituted suit in the United States district court to have Neils L. Anderson, late of Holdrege, declared a bankrupt. In their petition they say that Anderson has absconded owing debts in excess of \$25,000, while privately owned by him in the hands of certain creditors will aggregate to value \$15,000.  
Judge Kroyer is hearing the case of the Omaha Workmen's company against Rudolph Koch, Lydia A. Koch and others, in which suit he brought to determine the priority of liens held by five creditors on the Koch home in Home park, and in which Koch built his new residence last year and directed the firms which furnished labor and material to take liens on the property to ensure payment.
