Acorn Base Burners

We never had such a sale on base burners as we are having right now. Acorn base burners must be a little better than other hard coal stoves or they would not sell all others as they do. The fact is that they are

HAYDEN'S SUITS AND FURS

Two big stocks purchased. The entire stock of a large cloak and suit manufacturer, and one of the most prominent furriers in New York City. They will not permit the use of their name, but the goods are here. What do you care about the name. The warm season in New York City made it hard on the manufacturers and easy for our resident buyer to purchase goods at his own price. They are here and plenty of them. You will be more than pleased.
