

REGENTS ASK MORE MONEY

Estimated Expenses of University Largely Increased Over Appropriation.

SALARY BILL GETS MOST OF ADDITION

Several Departments of State Government File with the Auditor Estimates of Amount of Money Needed for Two Years.

LINCOLN, Nov. 15.—(Special.)—The Board of Regents of the University of Nebraska has estimated the necessary expenditures for that institution during the ensuing biennium at \$415,500, which is an increase of \$113,500 over the appropriation of two years ago. The legislature will be asked for an increase of \$58,000 in the appropriation for salaries, an increase of \$5,500 in the appropriation for current expenses, an increase of \$10,000 in the fund for new buildings and repairs and an increase of \$34,000 in the cash fund.

Of the total university appropriation the state supplies the revenue from a mill tax levy, which will amount to approximately \$248,000 for the two years, and the balance is made up from interest on permanent funds, revenue from the United States land endowment, United States and other appropriations and cash collected at the university. The money received from the latter sources cannot, however, be expended without authority from the legislature. The last legislature provided for the expenditure of \$488,000 for the university. The estimate of the Board of Regents was filed with the state auditor this morning and will be presented to the legislature with the estimates of other state institutions.

REORGANIZE THE ACADEMY

Bishop Graves and Committee of Kearney Citizens Give Institution a New Start.

KEARNEY, Neb., Nov. 16.—(Special Telegram.)—The Kearney Military Academy has been reorganized. There has been but one day's interruption of study and the routine work of the school is being carried on under the jurisdiction of the Episcopal church of the Laramie division has called for the assistance of a number of citizens of this city, and a local board of trustees has been organized as follows: Bishop Graves, president; J. A. Redick, vice president; E. G. Keene, secretary; J. G. Lowe, treasurer; C. N. Brown, C. B. Finch, W. S. Clapp and Rev. W. S. Atmore, trustees.

NIGHT-SWEATS

rise from weakness of the whole system caused by disordered kidneys. They are rapidly followed by the extreme stages of Bright's Disease, Diabetes, Heart Disease, Paralysis or Chronic Female Weakness.

FROM CALLAWAY TO GANDY

Remored Extension of Kearney and Black Hills Branch of Union Pacific.

OUTSIDERS MAKE PROPOSAL TO CITIZENS

To Organize with \$600,000 Capital, and Want \$22,000 in County Bonds Voted—Contractors to Get 51 Per Cent of Stock.

KEARNEY, Neb., Nov. 16.—(Special.)—There have been many rumors of the extension of the Kearney & Black Hills railroad, which runs from Kearney to Callaway and is operated by the Union Pacific. It is said the branch will be extended from Callaway to Grand Island, in the county seat of Logan county. The distance is thirty-five miles. Coupled with this rumor is another that the Missouri Pacific has purchased the Kearney & Black Hills from the Union Pacific. Outside parties have submitted a proposition to the citizens of Gandy and Logan county. The parties represent a construction party and are: A. O. Perry of Atkinson, Neb., and H. R. Wade of Spencer, Ia.

BEET SUGAR RAISERS ENCOURAGED

Receive Word from Oxnard That Many Concessions Are to Be Made.

GRAND ISLAND, Neb., Nov. 16.—(Special.)—Manager Ferrar, of the American Beet Sugar company at this point, received instructions yesterday from Mr. Robert Oxnard of San Francisco, as to the provisions of the contract for the ensuing season and there is considerable satisfaction here over the concessions made by the company. The new contract will provide that the beet raisers shall receive 24 per cent straight, for all beets of a quality less than 14 per cent sugar; that freight will be paid on beets shipped in; that the farmer who hauls his beets to the factory will receive 25 cents per ton additional; that for beets which are sold at further additional sum of 20 cents per ton will be paid and that for each per cent of quality over 14, an additional sum of 25 cents will be paid providing further, that in the event that beets test 14.5 per cent, for instance, the raiser receives the benefit of the fraction of the increase per cent of sugar content. Thus if a farmer has beets testing 14.5 of sugar, and has sliced the beets he will receive \$4 per ton, 12 1/2 for the additional five-tenths per cent quality, 25 cents for hauling and 20 cents for slicing or \$4.75 1/2 cents per ton.

TOOK A NOBLE REVENGE.

Governor of Missouri Pardoned a Ruffian Who Had Wronged Him.

TOOK A NOBLE REVENGE.

Governor Robert Stewart, once governor of Missouri, was one of the kindest of men, relates the Saturday Evening Post. He had risen from lowly life to a position of eminence through his own efforts and never forgot the days when he had to work hard for a bare subsistence. When he was in the gubernatorial chair a steamboat man was brought in from the penitentiary as an applicant for a pardon. He was a large, powerful fellow and when the governor looked at him he seemed strangely affected. He scrutinized him long and closely. Finally he signed the document that restored the prisoner to liberty. Before he handed it to him he said: "You will commit some other crime and be in the penitentiary again, I fear."

TOOK A NOBLE REVENGE.

The man solemnly promised that he would not. The governor looked doubtful, mused a few minutes and said: "You will go back on the river and be a man again, I suppose?" The man replied that he would. "Well, I want you to promise me one thing," resumed the governor. "I want you to pledge your word that when you are a mate again you will never take a billet of wood in your hand and drive a stake by the side of a bunk to help you load your boat on a stormy night?" The steamboat man said he would not, and inquired what the governor meant by asking him such a question. The governor replied: "Because some day that boy may become a senator and you may want him to pardon you for a crime. One dark, stormy night some years ago you stopped your boat on the Mississippi river to take on a load of wood. There was a boy on board who was working his passage down the New Orleans to St. Louis, but he was very sick of fever and was lying in a bunk. You had plenty of men to do the work, but you went to that boy with a stick of wood in your hand and drove him with blows and curses out into the stretched night, and kept him telling like a slave until the load was completed. I was that boy. Here is your pardon. Never again be guilty of such brutality."

TOOK A NOBLE REVENGE.

The man, covering and hiding his face, went out without a word. What a noble revenge that was and what a lesson to a bully!

A SENSATIONAL RECOVERY.

A Venerable Wisconsin Lady Restored to Health by Peruna After Twenty-Five Years' Suffering.

(Special news from Evansville, Wis.) EVANSVILLE, Wis., Nov. 11.—A woman cured of catarrh of twenty-five years' standing was the occasion of Peruna being introduced to the inhabitants of Evansville, Wis. From that time to this there has been a great demand for Peruna in this vicinity and hundreds of cases have been cured. It is in this manner that Peruna spreads from town to town and from state to state. No sort of advertising could have given Peruna the reputation it has. The secret of its success is that it makes cures. It cures old cases of catarrh where other remedies have failed. This ought to make any remedy popular. Mr. C. R. Harden of Evansville, Wis., writes the following letter: Dear Doctor Hartman—"I wish to write to certify that Peruna has done for me. I read of Peruna in the papers, of what it would do for catarrh, and sent for a bottle. This was the first bottle of Peruna that ever came to Evansville, from my using it

STARTLING STATEMENTS FROM KENTUCKY, ILLINOIS AND NEW HAMPSHIRE OF OTHER REMARKABLE RECOVERIES.

WILLARD, Ky.—The news of the recovery of Mrs. Elizabeth Prater is a very striking instance of the wonderful curative powers of Peruna. This estimable lady had been an invalid from catarrh of the stomach and bowels for twenty years. No wonder her many friends are enthusiastic over her recovery. She writes: "I began the use of your medicine the first day of last September and have taken nine bottles of Peruna, and can say that I believe I am cured of my troubles, and I think I am enjoying as good health as an old lady of my age could expect. I am seventy-one years old. I recommended Peruna to sufferers wherever I may meet them, and others of my friends are being benefited by it. I think it is a God-send to poor suffering humanity. I will always be thankful to you for your medicine and kind advice, and trust that many others will take your remedy and be as greatly benefited as I have been."
