NO ARGUMENT NEEDED.

Every Sufferer from Catarrh Knows that Salves, Lotions, Washes, Sprays and Douches do not Cure.

Powders, lotions, salves, sprays and in halors cannot really cure Catarrh, because this disease is a blood disease, and local applications, if they accomplish anything at all, simply give transient relief.

The catarrhal poison is in the blood and the mucous membrane of the nose, throat Grand. and traches tries to relieve the system by secreting large quantities of mucous, the discharge sometimes closing up the nostrils, dropping into the throat, causing deafness by closing the Enstachian tubes, and after a time causing catarrh of stomach or serious throat and long troubles.

A remedy to really cure catarrh must be an internal remedy which will clease the blood from catarrhal poison and remove the fever and congestion from the muccus membrane.

The best and most modern remedies for this purpose are antiseptics scientifically known as Eucalyptol, Guaiacol, Sanguinaria and Hydrastin, and while each of these have been successfully used separately, yet it has been difficult to get them all combined in one palatable, convenient and efficient form.

The manufacturers of the new catarrh cure, Stuart's Catarrh Tablets, have succesded admirably in accomplishing this re-They are large, pleasant tasting lozenges, to be dissolved in the mouth, thus reaching every part of the mucous membrane of the throat and finally the stomach. Unlike many catarrh remedies, Stuart's Catarrh Tablets contain no cocaine, opiate or any injurious drug whatever and are equally beneficial for little children and adults.

Mr. C. R. Rembrandt of Rochester, N. Y "I know of few people who have BAY8: suffered as much as I from catarrh of the head, throat and stomach.
