SOME STARTLING FACTS OF VITAL INTEREST TO WOMEN.

WINTER JUST BEFORE US.

Biting Winds, Cold Drizzling Rains, Sopping Muddy Streets and Sudden Changes in the Temperature.

The coming winter will cause at least one-half of the women to have catarrh, colds, coughs, pneumonia or consumption. Thousands of women will lose their lives and tens of thousands will acquire some chronic ailment from which they will never recover.

A cold is the starting point of more than half of the fatal illnesses from November to May.

A cold is the first chapter in the history of every case of consumption.

A cold is the first stage of chronic catarrh, the most loathsome and stubborn of diseases.

A cold is the legitimate parent of a large family of diseases, such as bronchitis, pleurisy, pneumonia and quinsy.

To neglect a cold is almost suicide. To fail to provide against this well nigh inevitable evil is dangerous negligence.

Peruna is a safeguard, is a preventive, a specific; is a cure for all cases of catarrh, acute and chronic, coughs, colds, consumption, etc.

Read what the women are saying of Peruna: Miss Kahl Cured of Hemorrhages of the Lungs by Peruna.

Mrs. Mattie Zerk, 338 Forest avenue, Oak Park, Ill., writes: "I suffered for ten years with chronic catarrh. The slightest cold made me very sick. I could not speak aloud for three months. I took Peruna and am now in perfect health; am entirely free from catarrh."

Mrs. Zerk Cured of Chronic Catarrh of Ten Years' Standing. Mrs. Mattie Zerk, 338 Forest avenue, Oak Park, Ill., writes: "I suffered for ten years with chronic catarrh. The slightest cold made me very sick. I could not speak aloud for three months. I took Peruna and am now in perfect health; am entirely free from catarrh."

Mrs. Messer Cured of Catarrh of the Head and Running Ears. Mrs. Barbara Messer, Freedom, Pa., writes: "I suffered from chronic catarrh of the head for a number of years—six weeks had very bad running ears. I could hardly hear and sometimes could not talk. Life was a burden to me. I took Peruna and am now permanently cured of the catarrh. My head is perfectly clear and I feel as well as I ever did."

Mrs. L'Hommedieu Cured of a Very Bad Case of Systemic Catarrh. Mrs. J. L'Hommedieu, 952 Manhattan avenue, Brooklyn, N. Y., writes: "I was taken very bad with catarrh. It affected me all over. My physician treated me without the least relief. Two bottles of Peruna cured me."

Mrs. R. E. Worrell, 102 Orleans street, East Boston, Mass., writes: "Four great medicines, Peruna, had cured me of catarrh. I was troubled with it for five years with it. It cost me a great deal of money for doctors. I read in the papers about Peruna, so thought I would try it. I am now on the second bottle, and am entirely well. Before I used your medicines my breath was so of fensive that I was ashamed to talk to any one. Even my own husband could not stand it. My headache which had all disappeared from the catarrh. I would not be without your medicine for anything. I am entirely well and feel splendid."
