"IT'S NOT BIRTH

Nor Wealth, Nor State, but 'Git Up and Git' that Makes Man Great."

This is the motto on the letterhead of a well known grocery firm in Watertown, N. Y., Fred B. Bush & Co., and is indicative of the character of the men. Mr. Bush himself had guite an experience with food in relation to health, as he was refused insurance three years ago because the examining physician found he had Bright's disease and could only live a short time at the best.

"My own physician suggested that I make radical change in diet. About that time my attention was called to Grape-Nuts food, and I began with doctor's permission to use this food. Of course i had been forbidden the use of sugar or starchy food. but my doctor knew that Grape-Nuts was composed of the starch of wheat and barley transformed into grape sugar and in this condition is easily digested.

"To make a long story short, Grape-Nuts has been a constant dish at my table for three years. I have taken no medicina during this time and I am now strong and healthy and capable of doing a hard day's
