NEW FREIGHT ROUTE TO SOUND

Union Pacific Makes Arrangement with Northern Pacific to Reach the Northwest.

An important freight alliance has been made by the Union Pacific and its proprietary lines—the Oregon Short Line and Oregon Railway and Navigation company—with the Great Northern railway by which the Union Pacific will be enabled to enter the field as an active competitor for business to and from the Puget sound territory. Announcement to this effect was made Saturday by Freight Traffic Manager Munroe and the agreement came about as the result of numerous conferences held during the last few weeks between Union Pacific and Great Northern executive officers. Freight for the new territory, comprising the Puget sound district, will be handled by the Union Pacific and proprietary lines as far as Spokane and from there taken by the Great Northern to its destination.

This arrangement will make it possible for the Union Pacific to compete for business in a territory of wide extent which has heretofore been monopolized by an interested official. Freight traffic from the Missouri river and eastern points to the Puget sound district is quite considerable, and under this new alliance the Union Pacific expects to handle its share of the business. The bulk of the traffic consists of lumber and packing house product shipments. The Union Pacific, by reason of this agreement, is now about as well fixed as though it had a direct line of its own to all Pacific coast terminals reached by the Great Northern. Port Townsend, Olympia, New Whatcom, Lowell, Fairhaven, Everett and Edmonds.

Low Rates Expire. General Passenger Agent Miller of the Milwaukee has telegraphed a denial of a report that has been circulated to the effect that his road would continue the sale of half-rate tickets to Chicago until Friday, giving as the ostensible reason the session

OF THE INTERNATIONAL LIVE STOCK ASSOCIATION.

"Our line," said Eugene Duval, assistant to General Western Agent Nash, "has adopted the same rates to Chicago and has been governed by the same conditions as all the other lines. We have had a rate of one fare plus \$2 for the round trip in effect that the sale closed yesterday. I have forwarded Mr. Miller's explicit denial of the report that we have lowered the rate and extended the time to the local passenger bureau and the local situation will, consequently, be undisturbed."

Railway Notes and Personalities. M. O. Galt, formerly Rock Island agent at Fairfield, Ia., has been appointed to succeed J. H. Kichel, formerly agent at Council Bluffs.

Freight Traffic Manager Munroe of the Union Pacific left Sunday night for New York to attend a meeting of executive officers of western roads. General Manager A. C. Jones of the Western Car Service association is in Norfolk looking after business matters connected with the operation of the association. General Western Agent P. A. Nash of the Milwaukee is enroute home from New York, after a couple of weeks' absence. Nash's absence has been taken advantage of by the local officers of the road and his private car has been repaired, renovated and improved generally in appearance.

Raising Funds for Monuments. At a meeting of the Women's Union Veterans' Relief association held Monday night at the city hall plans were discussed for increasing the sum now in the treasury, which was reported to be \$600. The association is composed exclusively of women and it was decided to ask each of the three Grand Army posts to appoint a committee of seven to co-operate with the association in this line. An active canvass for additional funds will commence on Monday next. It is necessary to erect a handsome monument in the Grand Army circle in Fort Leavenworth, and the society will hold a meeting of the association will be held on the first Monday in January.

Painters' Union Smokes. The painters' union gave a banquet and smoker last night at room No. 4, Labor temple, at which were present about 100 members of the society, and friends. The evening was spent with cards, with singing as the ostensible reason the session

Woman's in Club and Charity Work

Rabbi Simon will address the department of ethics and philosophy of the Women's club at an extra meeting on December 11 on "The Philosophy of Doubt."

"The School and Industrial Laws of Nebraska" was the subject for the discussion of the department of social and political science at the meeting yesterday afternoon, Mrs. J. H. Dumont reading the former and Miss Mary Fairbrother the latter.

Regarding the ten-hour industrial law for women Miss Fairbrother gave it as her opinion that it was excellent in theory, but hardly practical for many business men will dispense with women employees rather than be restricted by laws limiting their hours of service. And as the majority of the women employed under this law are not able to insist upon their employers complying with the law.

The discussion was general, nearly every woman present expressing an opinion. The next meeting will be devoted to subjects calculated to help the school condition.

The members of the art department were given an exceptional treat yesterday afternoon. The splendid collection of water-colors belonging to Mr. Edmonds, who is passing through the city, were hung for the afternoon in the home of Mrs. Charles Offutt for their inspection. There are about sixty pictures in the collection, most of them landscapes and marines.

"Qualifications, Rights and Duties of Officers and Rights and Duties of Members" was the subject of the lesson for the parliamentary practice department yesterday afternoon, Mrs. W. P. Hartford presiding. Mrs. Bettie conducted the drill, which consisted of the delivery of the report of the nominating committee of the Parliamentary Practice club.

In response to the invitation of the Women's club the artists and pupils of Omaha have contributed a fine lot of appropriate posters advertising the Woman's club benefit for the auditorium fund, to be given December 18. Mrs. Rose Strawn, who suggested and is in charge of the posters, says she has not received as many as the committee expected or need, but they are still coming in. All persons wishing to contribute must send their posters to Mrs. Strawn, 1909 Capitol avenue, by December 8. They will be displayed after that time in the windows of the city.

report was made of the expense of its recent exhibit at the Her Grand Hotel. Mrs. Morrell and Mrs. Morrow were appointed a committee to investigate and prepare an outline for the year's work, a report of which will be made at the next meeting. Some suggestions were made, which will be considered, but nothing definite was decided upon.

The meetings will be held at the homes of the members in the future, the next to be with Mrs. Morrell.

The newly organized oratory class of the Young Women's Christian association will hold its first meeting on Thursday evening. The advanced gymnasium class will give an "evening of exercises" to the other "gym" classes next Monday evening. The members have prepared some unique features in the line of facts which are difficult and mirth-provoking. An evening of this kind will be given every month by each class in turn, the object being to promote class interest.

The "gym" girls, of whom there are about 200, are planning a large Christmas contribution to the city's poor. They are collecting toys, books, pictures and articles of this kind that have been discarded, though still good, and on December 5 will meet to prepare the things for distribution. The visiting nurses have supplied a list of names of deserving people.

The Omaha Equality club will hold its meeting at 2 o'clock this afternoon in the banquet room of the Paxton hotel.

The Nebraska Woman's Suffrage association has sent its state organizer, Miss Laura Gregg, to Fillmore and Clay counties on a two weeks' speaking and organizing tour.

The Omaha Equality club will hold its meeting at 2 o'clock this afternoon in the banquet room of the Paxton hotel.

The Nebraska Woman's Suffrage association has sent its state organizer, Miss Laura Gregg, to Fillmore and Clay counties on a two weeks' speaking and organizing tour.

The members of the women's church and auxiliary societies are without doubt the busiest women in the city just at present. With but few exceptions all of these organizations, of which there are about eighty, are absorbed in preparation for bazaars, dinners, concerts or some sort of Christmas entertainment by which they propose to raise funds for carrying on their respective work.

The Young Men's Christian association, a work which this band of women have pledged themselves to do, besides providing the

VIADUCT GOES UP AT ONCE

Twenty-Fourth Street Property Owners Sign Waiver of Damages.

APPROACH TO BRIDGEWILL BE OF STEEL

After Prolonged Negotiations Railroads and Owners Are Brought to an Understanding Agreeable to the City.

City Engineer Andrew Rosewater announced to the city council at its general committee meeting yesterday afternoon that all property owners along the north approach to the proposed Twenty-fourth street viaduct have signed an agreement to waive damages on condition that the approach to the bridge be of steel rather than of earth. For many months the Southwest Improvement club has been endeavoring to secure that waiver that the viaduct might be constructed without delay, but heirs of the Reed and Shull estates were not satisfied with the plans for the structure and refused to waive damages until yesterday, when the city engineer submitted to them a plan which was entirely satisfactory.

HAND OUT SOME HOT ROASTS

North Omaha Improves Debate the Ames Avenue Car Service to a Finish.

There was but a small attendance at the regular meeting of the North Omaha Improvement club Monday night. The committee on lights was instructed to take up with the councilmen the matter of a light in the center of Kountze park, between the two bridges, as there is a dangerous piece of roadway on Twenty-third street at this point and persons have driven over the embankment.

IMPLEMENT MEN ORGANIZE

Omaha and Council Bluffs Dealers Unite in Furthering Interests of Their Line of Trade.

A number of implement men met at the rooms of the Commercial club last night and perfected the organization of the Implement and Vehicle club of Council Bluffs and Omaha. The objects of the association, as set forth in the constitution adopted last night, are social intercourse and the consideration of all matters pertaining generally to the business in which the members are mutually interested and of such measures as may be calculated to build up the implement, vehicle and allied trades of the two cities. All manufacturers, wholesale dealers or representatives having charge of a permanently located business in implement and kindred lines and all managers, editors or publishers of papers devoted to the trade are eligible to membership.

LITTLE AFFAIR FOR FISHER

Omaha Members Show the Head of an Order an Evening of Pleasure.

The transmissorial Elks entertained Jerome B. Fisher of Jamestown, N. Y., the head of the club, at a banquet at the Millard hotel last night that might aptly be described as a feast of wit and a flow of soul. With clinking glasses, popping corks and glowing cigars as committants Elks with eloquence told stories that bristled with laughable incidents.

WILL REMOVE THE LOOSE DANDRUFF

Scouring Your Scalp. If your hair is brittle and thinning you have dandruff. The merely scouring of the scalp of the loose scales won't cure dandruff; because dandruff is nothing but scales of scalp being thrown up by a pestiferous little germ in burrowing its way into the root of the hair, where it saps the vitality, causing falling hair and, in time, baldness. Now you can't stop dandruff, nor falling hair, nor prevent baldness unless you destroy that germ; and the only preparation that can do it is the new scientific discovery, Newbro's Herpicide. In fact, no other hair preparation claims to kill the dandruff germ—all of them will clean the scalp; soap and water will do that, but only Newbro's Herpicide gets at the root of the trouble and kills the dandruff germ.

CITY MUST WAIT FOR FEE

School Board Has no Intention of Paying Until Judgment is Satisfied.

An attempt to secure the payment to the city of \$117, said to be due on the High school building permit, was defeated last night's meeting of the Board of Education. For the third time the matter was brought before the board. J. J. Smith introduced a resolution instructing the secretary to have a warrant issued in favor of the city building inspector for the amount in controversy and urged that it should be done as an accommodation to the inspector who issued the permit with the expectation that the board would pay the customary fee.

Carl E. Herring, attorney for the board, expressed the opinion that the payment of this fee might result in the defeat of the judgment which the board holds against the city. He stated that the board has declared repeatedly that the fee should be deducted from this judgment and advised that nothing be done in the matter until he consults the city attorney for the purpose of adjusting the differences between the city and the board. The resolution was tabled by a vote of 5 to 8. The members who voted to table the motion were: Barnard, Black, Hayward, Johnson, Levy, Moore, Robert Smith, Wood. The members who supported the resolution were: Buchanan, Howard, Peaford, J. J. Smith, Thomas, Teal and Bruce were absent.

The following communication from J. W. Crabtree of the University of Nebraska, Inspector of accredited schools, was read to the board and referred to the committee on finance.

It is customary in nearly all countries to turn the interest paid on delinquent taxes into the general fund instead of appropriating the same to various funds. This has come because the interest is paid on all delinquent taxes. The school fund over \$1,000,000. It is likely that the general fund would have over \$800,000. The school fund several thousand dollars. If this is the case the schools should have the money and it is suggested that your board investigate the matter.

Several months ago a resolution was introduced which provided that the salaries of all janitors be reduced to the schedule which was in force previous to 1893. The resolution was referred to the committee on salaries and Mr. Black, chairman of this committee, reported last night that after an investigation of the schedule pay, between the two bridges, as there are many injustices in it and that the salary list was in need of complete revision. He advised that a committee of five be named to investigate the work of the janitors and their salaries. His recommendation was adopted by a vote of 10 to 2.

William L. Unicker resigned his position as instructor of mathematics in the High school and A. E. Barry of Fremont was elected to fill the vacancy. Mr. Barry is a graduate of Tabor college and has taught this year in the Fremont schools. Previously he taught in the Red Oak (Ia.) High school. His salary will be \$30 per month.

A report of the finances of the Board of Education on November 1 shows that the amount apportioned to the schools was \$440,430. Of this sum \$225,202.45 has been expended in the ten months which have elapsed and \$115,227.53 remains in the treasury. During the corresponding ten months of 1899 the expenditures amounted to \$334,024.06. The receipts for 1900, up till November 1, were \$275,968.84. The amount outstanding November 1 amounted to \$18,000. The balance in the High school building fund was \$125,586.12.

MARRIAGE LICENSES

The following licenses to wed were issued at the office of the county judge yesterday: Name and Residence. Age. Edward M. Fairhead, Omaha, 37; Melora C. Woolworth, Omaha, 27; E. H. Hines, Omaha, 38; Mattie Neuhurg, Omaha, 23; William Evers, Omaha, 24; Ethel M. Neack, Omaha, 24; Martha Clark, Medford, I. T., 26.

HEARING A PROTEST

The Monday night session of the Board of Fire and Police commissioners was devoted almost entirely to the hearing of the protest against the issuance of a saloon license at the corner of 14th and Hamilton streets. The taking of testimony was not finished at a late hour and the board adjourned until next Monday night. Three saloon licenses, against which no objections had been filed, were granted.

South Omaha News.

One of the features of the council meeting last night was the adoption of a resolution introduced by Councilman Martin providing for a new method in the purchase of supplies for the city. Martin argued that the best plan of securing quotations on material needed was to advertise for bids, as he believed the council would get better ideas as to values and prices on articles to be purchased. He therefore recommended that the city clerk prepare an approximate list of materials and supplies, such as books, stationary, coal, hay, grain, hardware, etc., required in each of the various departments of the city. This list is to be completed by December 7. Bids will then be advertised for on the various items, proposals to be for six months' supplies, commencing on January 1. All bids under this order must be filed with the clerk not later than noon of December 19. As an evidence of good faith bidders must submit a certified check for \$25. In all cases under this resolution the city reserves the right to accept or reject any or all bids. The city is allowed by this resolution to make awards on each article separately or on an average in each class as may be deemed to be the best interests of the city. Commencing December 3, the date of the meeting, no committee shall in any instance be empowered to purchase supplies or material of any description unless in emergency cases, and this only in cases where the amount does not exceed \$25. Every member of the council present voted for this resolution. President Adams was in the chair and Traylor, who is in the east, was the member who failed to respond to roll call.

Member Johnston augmented the Martin resolution by offering a motion requiring supplies to be furnished only upon a requisition from the heads of the various departments, a bill for the same to be attached to the requisition. This also carried. The need of compiling the misdemeanor ordinances was brought to the attention of the body and a committee will be appointed to ascertain the cost of compiling and printing these ordinances in order that the legal department and the police judge may understand just where they stand.

A squatters' ordinance was passed under suspension of the rules and also an ordinance levying a special tax for the payment of sewers in districts 108, 109 and 110. On third reading, ordinances were passed for the grading of Nineteenth street from S to U; G street from Thirty-sixth to Thirty-ninth streets and Eighteenth street from Missouri avenue north were passed. T. G. Rice submitted a petition signed by 160 residents asking that the peddlers, ordinance be so modified as to allow him to sell off without the necessity of taking out a license. The council did not seem disposed to make an exception in Mr. Rice's case and his petition was placed on file.

Chas. Mitchell complained about a saloon at 2717 G street and requested that the license be revoked. The paper was sent to the license committee. A number of street repairs were ordered and the appropriation sheet for November was approved.

SCHOOL BOARD MEETS

The Board of Education last night decided upon the dates for the holiday vacation. School will close on Friday evening, December 15, and will reopen on Wednesday morning, January 2. In this connection Superintendent Wolfe called attention to the State Teachers' association meeting to be held during the holiday period at Lincoln. Upon request he was granted leave of absence in order to attend and to attend this meeting. A resolution offered by Lott was passed requesting all teachers who could possibly do so to attend this meeting of the association.

A committee from the Harmony club, headed by G. G. Pringle, appeared before the board requesting to occupy room 10 with a piano in the Central building on each Monday evening for the purpose of practice. The board granted the use of a suitable room.

LIVE STOCK EXCHANGE MEETING

Yesterday afternoon the regular monthly meeting of the South Omaha live stock exchange was held. It was proposed to nominate officers to be voted on at the January meeting, but this action was postponed until December 17, when a special meeting will be held for the purpose. Chairman Kake was authorized to appoint delegates to attend the fourth annual convention of the National Live Stock association to be held at Salt Lake City in January.

CROOKS FROM OTHER CITIES

The police here say that the authorities in Chicago and St. Louis are driving crooks and toughs away in large numbers and this accounts in a great measure for the large number of petty criminals and haldups committed in the vicinity within the last few days. It is understood that the same plan will be worked here and that move-on orders will be issued to all suspects by Police Judge King when such characters are brought before him.

GUILD DOLL SALE WEDNESDAY

On Wednesday afternoon and evening the guild of St. Martin's Episcopal church will conduct a doll and candy sale and extend to the vacant store building at the southwest corner of Twenty-fourth and L streets. Dolls suitable for Christmas gifts will be offered for sale, also other articles, ornamental and useful. An oyster supper will be served in the evening.

MAGIE CITY GOSSIP

Mrs. Denna Alberry went to Blair yesterday for a short stay. Mrs. John M. Tanner, who has been quite sick, is rapidly regaining her strength and will be able to return to her home in the city in a few days. George L. Dore, who is indisposed, was able to journey to Blair on Monday. M. O'Donnell, who was quite badly injured some little time ago, is on the road to recovery. Mr. and Mrs. John Whalen, 228 North Twenty-second street, announce the birth of a son.

Smiley is back from Chicago and says that he will remain here in preference to residing in the Windy City. Quite a number of South Omaha people went to Omaha yesterday afternoon to the annual meeting of the stockholders will be held on December 19. Ira Cadwalder, a prominent citizen of Crawfordville, Ind., was the guest Sunday and yesterday of Uech Jimmie Scott, the veteran gatekeeper at the stock yards.

LOCAL BREVITIES.

A case of scarlet fever has been reported from 1320 Park avenue. Born to Mr. and Mrs. William Stryker, Seventeenth and Castellar, twin girls, Albert Chase, aged 12, died at the Institute for the Leaf and his body was taken to Ekhorst for interment. The average attendance at the night sessions at the Cass school is 120 and at Commercial school is about ninety.

The four many Mrs. H. A. Weeks, who died at 322 North Twenty-third street, has been buried in the interment home at 11 S. A. A. have been secured by the members of the Omaha High School Athletic association. The squatters in California street, between Twenty-third and Twenty-fourth streets, were removed by the local department of the city. The fire department was called out at 5:4 a. m. yesterday to extinguish a chimney fire at 220 North Nineteenth street. The fire was extinguished by the fire department.

The preliminary hearing of Police Captain Ber, charged in Justice Alford's court with an assault on Michael Hogan, November 8, has been continued until December 10 upon motion of the defendant. Many retail dealers are paying visits to an exhibition car of the Schwarzchild & Sulzberger Beef company of Kansas City, various kinds of fresh and frozen meats are on exhibition in an attractive form. Mrs. Ruth A. White, who has made Omaha her home, is visiting at her residence, 229 Grace street, Monday morning. Mrs. White was the wife of William White, who many years ago was a member of the police force.

John Baedeker, who was stabbed in the back during a fight at Turner hall, on South Thirtieth street, Saturday night, is reported as doing well. The attending physician says his patient will be about again in a week. City Electrician E. P. Schurig and City Engineer Andrew Rosewater are engaged in preparing a report to the city council on the best means of removing dangerous electric wires. The report will probably be presented to the council tonight.

The attendance at the Windsor school is many smaller than last year. Superintendent Pearce has ordered one of the rooms closed on Monday. The school has taught the fifth grade in that building, will hereafter teach at Mason school. O. W. Call, a prisoner, was arrested in a saloon at Ninth and Leavenworth streets yesterday while attempting to pass a check which it is alleged bore the signature of the check, which was for \$17, was drawn on Mansburg & Co., printers. Total receipts of the Omaha postoffice for the month of November aggregate \$2,515.77, made up of \$2,022.27 stamp and other sales and \$493.50 second-class postage, against total receipts of \$2,122.79 for the corresponding month last year. The amount of \$2,515.77 and \$2,782.25 second-class postage.

By grading the large pond at the corner of Sixth and Cedar streets the city destroyed a fine skating rink, the boys have built a dam near the large stone square and prevented the water from running out of the ravine into which it was drained. The two-day skating tournament was concluded Sunday. The trophies being awarded as follows: Harry Suesenbach, first prize; G. Laumann, second prize; Emil Wurl, highest single game; Henry Cost, highest score without matadors; John Baumer, fifth prize; J. Kraus, sixth prize; H. Kretschmann, seventh prize; Peter Gooch, eighth prize; M. Sienis, ninth prize. Another contest will be held on Monday. Many guests from various parts of the state will be entertained.
