Has Excented Eighty.

BERLIN, Dec. 5 .- The Chinese minister here has handed the foreign officials a telegram from Li Hung Chang to the effect that Sih Liang, the new governor of Shan Si, has publicly executed upward of eighty rebel leaders and asserting that he is otherwise acting with the greatest severity in the suppression of the Boxers and energetically protecting the missionaries.

# CHANNEL STEAMER FOUNDERS

Reports Vary as to Loss of Life, but Certain that Several People Perish.

LONDON, Dec. 5 .- Storms have been sweeping over the British coasts and the ships in the channel have had rough experiences. Several minor wrecks have been The steamer Rossgull of reported. Plymouth foundered off the island of Jersey Its passengers were saved, but a boat containing nine of its crew is missing.

ST. BRIEUC, France, Dec. 5 .- The English steamer Rossgull, which has been lost off the coast of Jersey, was engaged in the service between England and the channel islands and St. Brieuc. It foundered in a sale at 11 last night. According to the report which has reached here, only eleven persons out of the forty passengers on board have been saved.

# TURKS ADMIRE THE KENTUCKY

#### Naval Officers Visit the Big Battleship-Telegrams from Smyrna Are Held Up.

CONSTANTINOPLE, Dec. 5.-Captain Colby H. Chester, Lieutenants William I Scott and William A. Moffett and Ensign Leigh C. Palmer of the United States battleship Kentucky will remain here until after Selamlik, Friday. The other officers of the Kentucky are expected to visit Constantinople. While at Smyrna Captain Chester exchanged visits with the Vali (governor) and the naval authorities. The latter greatly admired the super-imposed turret system of the Kentucky.

The government has stopped all telegrams from Smyrna in regard to the Kentucky.

# **RUSSIANS COME FOR CRUISERS**

### Blue Jackets Sall from London to Man the Warships Built for Caar by Cramps.

(Copyright, 1900, by Press Publishing Co.) LONDON, Dec. 5 .- (New York World Cablegram-Special Telegram.)-Two hundred and twenty Russian blue jackets sailed today on the steamship Rhylander for Philadelphia to man the Russian cruiser Varyag. built by the Cramps. A like detachment will sail in a fortnight to man the second

Caar's Court is banguine. LIVADIA, Dec. 5 .- His majesty experiences no ill effects from sitting up in his arm chair at meal times and is so much better that the court is discussing the probable time of its return to St. Petersburg which, however, is still undecided.

ST. PETERSBURG, Dec. 5 .- In all the churches today special services of thanksgiving were held for the convalescence of the czar and in connection with the birthday of the caarvitch, Grand Duke Michael, who was born December 4, 1878.

Castellanes Going to London. LONDON, Dec. 5 .- "Count and Countess soni de Castellane are negotiating for a house in London," says Vanity Fair, "where, in future, they will spend a portion of the year, as Count Boni is deeply hurt at the ant of sympathy shown him by his friends and compatriots in his recent financial troubles.

policy is in substantial agreement with that of Germany."

The Neuste Nachrichten, which makes the same admission, says: -"Germany's attitude with reference to the punishment of the guilty officials is covered by Mr. Mc-Kinleys language in announcing the policy of the United States."

The Vossische Zeltung points out that 'the United States, like Russia, is determined to spare the Chinese treasury."

The Boersen Zeitung condemns the president's utterances on China as "incapable of being reconciled with the policy of the United States regarding the punishment of the officials," but it calls his suggestion regarding a reference of the controversies to The Hague court of arbitration

thoroughly sound idea, well worth consideration. Austrians Do Not Like It.

VIENNA. Dec. 5 .- The papers here generally criticise the United States' policy, as outlined in President McKinley's message to congress, with respect to China. While admitting the great influence Washington has exercised with European powers, the subscription list. official Fremdenblatt complains that the

husband, Dr. F. Ambrose, secured another United States appears unable to compensate individual foreigners for infringement of section of Mrs. Castle's statement and that their rights, while the Neues-Weiner Tage blatt, touching on the same subject, asks if President McKinley showed the same solicitude for the Austro-Hungarians who lost their money, health and positions in supplementary statement: the United States, as he now shows with "I never knew of any razors being about

pear to think that this amendment provides employed in it. for the fortification of the Nicaragua canal, PASTOR TESNOW'S DOWNFALL

Pitfalls.

whereas it does nothing of the kind." He then quoted from the amendment, showing that it applied specifically to only sections one, two, three, four and

five of the treaty. He claimed that it only provides in the most general way for the protection of the rights of the United States. He called attention to the gram.)-Rev. Henry Tesnow, late pastor of fact that while the treaty of Constantinothe Reformed church, left hurriedly for the east November 22 to escape the odium ple applying to the Suez canal had been used as the basis of the pending treaty, of unavoidable exposures. He fell from grace while probing for vice. He has reonly the first seven articles of it had been rigned his pastorate by request. Dissipaincorporated in the Hay-Pauncefote agreetion, mismanagement of the church finances ment, leaving out article 10 of that agreement, which gives to the sultan of Egypt and general conduct intolerable in a clergyman caused his virtual dismissal from the the right to defend the interests of that country in connection with the Suez canal. Right of Fortification Not Given.

Rev. A. S. Dechant, superintendent of western missions for the First Reformed Replying, Senator Lodge said he had church, came to Denver November 16 to not contended and did not contend that conduct an investigation of the local misthe amendment provided the power to forsion's financial condition. A plain talk betify the canal. The great benefit of the tween Rev. Mr. Dechant and Rev. Tesamendment was found, he said, in the fact now resulted. Rev. Tesnow armed himself that it applies to the first section copied with a revolver, threatened his wife's life from the Constantinople agreement, proand frightened her terribly. The horror of viding that the canal shall be "free and exposure made him almost insane. At open in time of war as in time of peace length he fiel the town by a night train. to the vessels of commerce and of war of From Chicago he went to Delonco, N. J., all nations."

The amendment, he further said, was substantially in the language of article x o the Constantinople treaty and therefore has always declared himself in favor of might be expected to serve the same purknowing the city's evils that he might the poses intended to be subserved by that article with reference to the Suez canal.

In conclusion he urged early action upon the treaty as of great importance, be-cause of the general desire to go on with called extravagance of Pastor Tesnow will the Nicaragua canal legislation. He did not, however, indicate any time for taking a vote upon either the treaty or the com

mittee amendment. Senator Money of Mississippi made a brief speech in general opposition to the treaty, but indicating that he might vote for it if the amendment was retained though not satisfied, he said, that the amendment would make the document en-Baxter, Ia., was knocked senseless late last tirely satisfactory. Upon the whole he thought the United States would best promote its interests by proceeding to construct the canal without asking the aid or consent of any other country.

Regular Session of Senate.

At the regular session of the senate preceding the executive session today Senator Frye concluded his speech upon the ship Gilmore came to Chicago to exhibit cat- subsidy bill. He devoted his attention tle at the live stock show. The detectives principally to a technical explanation of saw Gilmore with Cummings and Hayes, the various provisions of the measure, exwhom they followed to the scene of the plaining with especial care that provision robbery. When the officers approached the which would admit to American registry robbers sprung behind a garbage box and foreign-built ships. From several sources The his attention was directed to this prolatter lined up behind a telegraph pole vision and it is evidently one upon which and returned the fire. Twenty shots were much of the forthcoming debate will rest. Aside from the speech of Mr. Frye no

business of importance was transacted in legislative session. When the session opened the credentials of Samuel D. Mc-Enery and Murphy J. Foster as senators from Louisiana and George P. Wetmore from Rhode Island were received Bills were passed permitting Captain B. H. Me-Calla and Commander W. C. Wise of the United States navy to accept decorations from the emperor of Germany.
