HAD TOO MANY APPRENTICES Printers Refuse to Work Because More Galley Boys Are Employed Than Contract Calls For.

An alleged breach of agreement has caused a strike of the printers employed in signed by the representatives of the Omaha Typographical union and the Employing Job Printers provides that one apprentice is to be allowed in offices employing five printers or less, and an additional apprentice for each five additional journeymen A week ago Root employed a woman in the office as an apprentice, making two future printers for less than five journeymen in the office. The union called his attention to the-breach of the agreement, and he requested the organization to admit the older apprentice to the union before he had served the required apprenticeship. This the union refused to do, and requested him to stand to the agreement. Refusal on his part was followed by the declaration of

It was a thrilling escape that Charles

Davis of Bowerston, O., lately had from a frightful death. For two years a severe lung trouble constantly grew worse until it seemed he must die of consumption. Then he began to use Dr. King's New Dis-covery and lately wrote: "It gave instant relief and effected a permanent cure." Committee of Fifteen is Appointed to Plan Aid for Anditorium.

INSTRUCTORS FOR ALL THE DEPARTMENTS

Individual Subscriptions Will Be 50-Heited or Some Plan for Raising Money Hit Upon-Vacation for Ten Days.

Members of the auditorium committee were to have appeared before the general meeting of the teachers at the city hall yesterday afternoon, but in their absence Superintendent Pearse presented the auditorium project to the teachers and asked their hearty co-operation in securing the building for Omaha. He expressed a desire that all teachers contribute to the auditorium and asked for suggestions as to ditorium and seked for suggestions as to the best neans of starting a fund. Mrs. Reno E. H. Coe offered a resolution provid-ing that the matter be referred to fifteen teachers, who shall decide whether to ask for individual subscriptions or make an effort to raise money by some other plan. This resolution was adopted and the committee was instructed to meet and report as soon as possible. Teachers from all de-partments were named on the committee, which is made up as follows: Miss Anna Foos, Miss Sarah McCheane, Mrs. Agnes Harrison, Miss Coburn, Miss Scherer, Miss Quackenbush, Miss Maynard, Miss Alice Root, Miss Redfield, Miss Phillips, Miss Ivy

Root, Miss Redneld, Miss Phillips, Miss Ivy Reed, Miss Louise Kelly, Miss Jennie Sal-mon, Miss Robinson and Mr. Benedict. Mr. Pearse suggested that the teachers make an effort to have the management of the auditorium prepare to divide the main auditorium in such a manner that a cem-fortable hall with a seating capacity of 2,500 or 2,000 may be secured when needed for meetings where the attendance is less than at the large conventions which will be

attracted to the city.

Christmas Vacation Fixed. It was announced by the superintendent that the Christmas vacation will begin on December 21 and will continue until January 1. Mr. Pearse explained that the dates may be changed in such a manner that achool work will not be resumed until after January 1.
