squad to go to Kansas City and was em powered to select the men who will compose that team. When the matter of funds for the proposed trip was broached, \$160 was raised in less than ten minutes as a purse for expenses.

There are a number of persons who de sire to represent the team besides those who shot at Omaha last week. Mr. Brucker has not finally decided upon the means to be adopted in making the selection, but it is said that the record of the men on the home grounds in the next six weeks will have much to do with the personnel of the team. One plan favorably mentioned is for

provisional team to be immediately announced, the members of which will be required to hold themselves subject to chal-

lenge from any other member of the club. From the records made in these challenge parties, scheduled for next Tuesday night, shoots the membership in the team will be finally selected. This plan would give The proposition, which emanates from the the members of the provisional team conmid-roaders and workingmen's political siderable practice between now and the club, is for a meeting of representatives of date of the contest and, as it will be made the populist, social labor, social democratic, up of the best marksmen in the club, if prohibition, mid-road and workingmen's par- there be no changes, the men will have
