Thieves ransacked the flat at 101 West Broadway, occupied by Mr. and Mrs. H. Fair, last evening during the occupants' absence at church. Everything in the rooms was searched for money. The thieves secured entrance to the flat by a back stairway opening off First street and burst in the kitchen door. They were evidently only after money, as nothing else was found to be missing, although there was considerable silverware and jewelry in the rooms.

HYOMEI

Gentlemen:—Three years ago I contracted a severe cold which settled on my lungs, leaving me with a terrible respiratory trouble. My friends became alarmed about my condition and advised me to try two noted physicians, which I did, with nothing more than temporary rellef.

One day I saw an advertisement of HYOMEI, procured an Outfit and began its use. From the first time I used it I began to get better. Before this I spit blood a great deal, sometimes could scarcely speak above a whisper. The pains in my lungs were sometimes unendurable. In six weeks my cough was entirely gone. I continued gaining until my lungs are as strong as they ever were. I feel like a new man.

HYOMEI is the only positive cure known for Coughs, Catarrh, Asthma, and Consumption. It is guaranteed.
