Boon to Women!

Kidney Cure

Builds up and Restores the Or-Healthy Condition.

Thousands of men and women can have the best of health if they will but take the greatest Kidney and Liver Remedy known to the medical profession. Doctors prescribe it in their practice. Watch the urine. It should have the amber hue of health. If it's of a reddish color or contains a brick dust-like deposit, if the discharge is unfrequent or excessive, the Kidneys are mick and need assistance. Neglect means Diabetes, Bright's Discase and

Read these strong, unsolicited testimonials:

ALBANY, N. Y., Jan. 8, 1900,-Cramer Chemical Co.: I had been afflicted having the dire trouble. Respectfully, for a long time with a severe kidney trouble. I was so bad I was unable to work more than three months in a year. Had used a good many medi-cines, but failed to get any relief. At tast, about two years ago, I commenced using Cramer's Kidney Cure. From the first it commenced helping me, and with the use of three bottles I was cured and am now well and able to do the heaviest kind of work. To anyone suffering with kidney troubles I say by all means to try Cramer's Kidney Cure.

Kidney Cure.

Does Your Back Ache?

feeling in your back when you get up in the morning, which makes you feel as if the labor of the day will be too much for you, and that life is hardly worth living? Does every cold you catch settle in it? Is it sore after a hard day's work? Do the pains sometimes go into the hips and thighs? And are there other signs of breaking down in your nervous and muscular system?

These pains are symptoms of more serious troubles, viz.: Kidney, Liver, Bladder, Lumbago, Rheumatism, Bright's Disease, Nervous Debility, Locomotor Ataxia, Paralysis, etc. They are the danger signals to warn you to "look out." Many persons have come to us to be cured of these

diseases and have informed us that they commenced with a backache, This emphasizes the old proverb, "a stitch in time saves nine." You have tried liniments, plasters and other remedies and found them useless.

Memorable Happenings at Coliseum in Its Earlier Days.

PATTI SANG AND STRAUSS PLAYED THERE

Building Put Up for Athletic Games Turns to Art and Politics in Its Checkered and Profitless Career.

Wreckers are going to work on the Coliseum within a week or so, and when they which has been the rendezvous of many people on many important occasions will no more. The Coliseum is not an old keep the Coliseum a-going. building, although it appears to have bucked the storm and stress of a quarter of a century. The big building is only about thirteen years old, but it has had its joys freely intermingled with hardships floored arena of the Coliseum to some lists from far and near and the enthusiasm and as it passes into wreckage it carries financial profit, but the scheme failed to was pitched high by the wild oratory of

ugly patches. In recent years the building has been used but little outside of the activities of the Ak-Sar-Ben, but as the reception place of the king and his courtiers it has been the scene of heraldry and pomp and has therefore occupied a conspicuous place in the public eye. In the early days of the last decade, however, nothing unusually big and grand could happen in Omaha with-

out going to the Coliseum. Emulate Ancient Rome.

John S. Prince, the champion bicycle rider, is probably responsible for the build- 300 under the leadership of B. B. and ing of the Coliseum. In 1888, when athletic Mme. Mazacuto-Young, also appeared at sports were in high favor locally, an idea the Coliseum. sprung from the fertile brain of Mr. Prince. the winter of 1888-89 to see the great building jammed full, while hundreds of people crowded the street in front, all waiting breathlessly for a word from the riders who were chasing each other around the track inside. Some of the greatest sixday races on record were held on the Coliseum track. Some of the greatest riders the world has known competed there. others whose names were closely identified with the sport a decade ago, were of the

Lillie Williams made the pace for the eternal feminine there and "Beauty" Baldwin then rode her way far into certain Omaha hearts, which for a season, at least, beat in unison in the rhythm of her shapely legs as they propelled a 48-inch racer around the track. Many amateur races were held there, and if the medals won on that track by Omaha boys were paraded would make a wonderful collection. messenger boy, led the chase for six weary that amount, to be delivered upon complenight, winning much applause and some

money by finishing first. Other sports have had a chance under the Coliseum roof, about everything but a prize fight having been pulled off there. In the Boyd theater box office and it progressed on account of age or infirmity. The prospring of 1859 Jack Prince and "Senator" nicely, so that when the company reached visions of the pending measure place the Morgan conceived the idea of having a Omsha the sale amounted to about \$6,000 expense of maintaining the pensions upon secured a couple of coyotes and advertised amount for the evening concert. Two of salary being retained by the government the event in true circus style. When the the great stars were to appear in the after- each month and turned into a fund from will be mailed free by addressing the Pyra-Saturday night arrived some 1,500 or 2,000 noon and two in the evening and special which the pensions are to be paid.

CREAT EVENTS WERE THERE persons had assembled at the arena. All trains were run in from all surrounding dies of the manager sent for me, Senator Thurston the medical sent for medical wolves and the dogs to the track and the manager sent for me, Senator Thurston protect the spectators from an outbreak. and others and advised us that two of the Everything was ready, and the spectators four great singers were suffering with the were eager for the carnage to begin. The grip and unable to appear. The manager wolves were in a cage in the middle of wanted to substitute others. We demurred, the arena, and the dogs were held in but there was no way out of it, and so we leash at one end of the ring. At a signal worked the financial end of the negotiations a brave man hastily moved the door of the to our benefit. age and dashed for safety. The dogs were cosed on the coyotes, and the sport was on. of the afternoon concert and give them the nize rather than to fight.

When the great structure was completed its owners found themselves about \$8,000 been made at the Coliseum, including the in debt on its account and the athletic immense anti-prohibition mass meeting held entertainments did not seem to produce the during the campaign of 1892 and addressed material with which to fill the cavity. W. finish their job the big frame structure I. Kierstead, who was then a man of some wealth, and others were appealed to and they came forth with the necessary cash to

Kierstead bought 2,000 pairs of roller skates and thought he would put the juvenile population of Omaha on wheels and vention. On the several days of this conkeep them whirling around the smoothwith it many uneven lines and innumerable pan out well. Then sporty plans were such speakers as Ignatius Donnelly, James

place came thoughts of art. Turned to Art.

Popular Pat Gilmore and his talented instrumentalists were brought to Omaha to edify and entertain those with the ear for music, and their concerts drew audiences that filled the Coliseum. The Marine band, then under the leadership of John Philip Sousa, made a trip to the Pacific coast, stopping at Omaha's big hall for a couple of concerts. Theodore Thomas and his great orchestra, assisted by a local chorus of

David Blakely, who at that time managed Omaha should emplate ancient Rome and Gilmore's band and in later years organhave its Coliseum, where the populate ized the remarkable concert band led by should gather in great numbers and witness Philip Sousa, brought Eduard Strauss and the prowess of its trained athletes. After his famous Imperial Court orchestra from Princo succeeded in interesting a number Vienna for a first American tour in 1890. of local capitalists in his idea the building Mr. Blakely, always venturesome with his was put up and made ready for the games, great musical attractions, jumped the For a time it served its purpose as the resort Strauss orchestra from Chicago to Omaha of athletes and their admirers, and some and gave a matinee and two evening consuccessful turnaments in bicycle racing, certs at the Coliseum. The Strauss confoot racing and kindred athletic diversions certs succeeded in packing the big building were held there. It was a common sight in and Mr. Blakely pecketed a fine profit on the engagement.

Patti and Other Great Singers.

Mr. Kierstead says:

and enthusiasm of Edward Rosewater and ing and erect a number of cottages on Ashinger, Wilbur, Knapp, "Soldier" Ned Redding, "Plugger" Bill Martin and many Omaha enjoyel probably the greatest musical entertainment that ever came this way. Rosewater came to me and presented the fact that it would be possible to get the Patti operatic aggregation in Omaha for two entertainments at the Coliscum. Louise Armainda and Omaha's own It was then in Mexico and was coming north by way of California. In the company at that time, in addition to Patti, were Nordica, Albini and Tamagno, the greatest tenor in the world. We communicated with the company, and the manager, Marcus Mayer, came to Omaha to arrange for the event. We found that the only way to a guaranty of \$13,500 for a matinee and a night performance. I went to the bank seum track was when Harry Edghill, the and gave Marcus Mayer my note for \$13,500

tion of the contract.

Ticket Sale Went Nicely. "We opened the sale of tickets in the old wolf chase on the track. They for the matinee and a somewhat smaller its beneficiaries, 2 per cent of the employe's

Slowly the dogs and the wolves circled the evening's receipts. I remember that the track, until they met. Then they exchanged receipts for the afternoon were about \$8,500, canine courtesies and proceeded to frater- just about enough to cover our expenses, while their end netted about \$6,000." Several big political demonstrations have

by Edward Rosewater and others.

Birthplace of Omaha Platform. It is distinguished, also, as the birthplace of the much-mooted Omaha platform, which was promulgated there in 1892 on the occasion of the national populist-convention the hall was packed with popubanished from the managerial mind and in B. Weaver, H. L. Loucks, "Cyclone" Davis and others, who have won high rank in the

populist movement. The convention nominated Walter Q. Gresham for the presidency, but he delined the doubtful honor and it was given

to James B. Weaver of Iowa. William McKinley, when he was governor of Ohio, came to the transmississippi country in 1892 to help out the republican can didates for congress, and spoke at the Coliseum to a crowd that had to almost fight its way into the building, so great was the rush for entrance. Bryan and Thurston Debate.

William Jennings Bryan and John M. Thurston met there in joint debate and a prettier forensic battle was never waged anywhere. In 1895 the anti-A. P. A. speech of Henry D. Estabrook drew an immense and turbulent crowd to the old building. During the presidential campaign of 1896 several big meetings gathered at the Coliseum, but the greatest excitement oc curred when Bourke Cockran delivered his

sound money speech there and a gang of

Bryanites undertook to break up the meet-

ing, a riot being narrowly averted. Several industrial expositions were given in the building in the early '90s, when it was under the control of Roeder & Bell. Perhaps the greatest art triumph of the In 1893 the structure passed into the pos-Coliseum, however, was the appearance of session of Mrs. Campbell of Council Bluffs Adeline Patti and her company, of which for ground rent, the location having been leased from her, and a couple of months "It was in the winter of 1889 that through ago she sold the property to Graham & the existence of this big hall the energy Ure, who propose to tear down the build- it seems to be equally effective in all the

CIVIL SERVICE PENSION BILL

Congress Will Not Find Time to Take It Up During the Present Session.

At the War department and federal buildings the clerks are evincing much interest in the civil service retirement bill pending in congress. Word has been received at the War department that the bill cannot be passed at this session of congress, secure an appearance here was to put up but that its promoters, who have consented to its postponement on account of the military reorganization and ship subsidy bills, will move for its speedy conderation at the coming session.

This bill is one of great interest to all persons in the civil service of the government, as it provides for a pension to be

Remarkable Transformation of Erstwhile Peanut Vendor.

NOW HE IS AN EMINENT SURGEON

Experience of Dr. Herman Anderson Formerly of This City, Aptly Illustrates the Possibilities Open to American Youth.

Laura Jean Libbey and Bertha M. Clay make "ladies" out of kitchen maids and turn cash girls into duchesses with amazing case, but it remained for the hero of this tale to bring about his own wonderful transformation by the exercise of a fair allowance of native talent, economy, hard work and a disposition to keep everlastingly

at it. From peanut vendor on a railroad train o eminent rank in the surgical world, and that, too, within a very few years, is the remarkable evolution of Dr. Herman Anderson, professor of surgery in one of the leading medical colleges of Chicago. The story of this young Dane is a force

ful demonstration of the possibilities free America offers to those who are willing to work and endure personal sacrifice while perched upon the stepping stone. Dr. Anderson is an Omaha product. This

city was the scene of his early struggles. It was here that he landed a few years ago, fresh from his native Denmark. He was not schooled in the ways of the new world; he had no money, he had no acquaintancesbut he was not afraid of work. His first employment in Omaha was in the lunch counter at the old transfer depot, where he served as waiter. Just prior to that he had for a short time been employed as errand boy in a grocery store at Neligh. Herman Anderson was rated as a "good waiter," because he made business of the job and injected as much energy into it as though

COSTS BUT LITTLE.

Discovery for the Cure of Piles Which May Be Tried at Small Expense. A pile cure which is painless and harmless but which affords immediate relief and in most cases a complete cure in a very short

time, is sold by druggists under the name of Pyramid Pile Cure It is in suppository form, to be applied at night and its regular use has cured thousands of obstinate, long-standing cases, and

bleeding or protruding. The Pyramid Pile Cure allays the inerties cause the enlarged blood vessels to tinuously in Chicago, where they enjoy a the purpose of amending the garbage ordiontract to a normal, healthy condition. A Baltimore gentleman relates his ex-

perience in these words: "It affords me unusual pleasure to add my endorsement to those of others relative to the really remarkable cures made by the Pyramid.

"I was a sufferer for years until told by a fellow salesman of the Pyramid Pile Cure. "It has entirely cured me and I cheerfully send this for publication if you wish to use it in that direction. I wish you would send me one of your little books on cause and cure of piles; I desire to show it to some friends.

Any sufferer from piles may use the paid to persons retiring from that service nent cure and the further assurance that it contains no cocaine, morphine or other metalic or mineral poison. All druggists sell the Pyramid Pile Cure

nt 50 cents per package. A little book on cause and cure of piles

Seeks Better Position

But all the while Herman Anderson was not satisfied with his station. He felt that the world held something better in store for him. With the persistence which has marked his later career he sought work OTHERS MUST WAIT FOR THE PRESENT that would bring him a larger income and dreamed of the time when he would have money enough to take a course in medicine. Finally the boy persuaded the news company which had control of the overland trains to give him a trial as a news agent. One trip was enough to satisfy the boy' employers that he was made of the right

kind of stuff. For several years he offered Moody's ermons and the life of Buffalo Bill to Saturday morning which permits various patrons of all degrees. He was no ordinary additional departments to have their Detrainboy. His employers recognized that cember allowances, but still leaves the city fact from the first and knew that he was hall maintenance department, the compselling hokey-pokey pop corn and Samuel troller, treasurer, street department and Smiles' "Self Help" only as a means to police court in the lurch. an end. A few years of service with the news company rubbed the Copenhagen from tion which provided that money be taken young Anderson's tongue and polished him from the funds of the city building inspector into an intelligent, fine-appearing young

fellow.

He Enters School. In the early '90's his savings had grown to Medical college. Years of study and privation won a degree for the young doctor, been corralled the measure was unaniand, with the class of 1896, he went forth into the world to earn a reputation for himself. His classmates recognized in him a man who would make a mark for himself. He had opinions of his own and was not afraid to express them even if they did conflict with the views of a celebrated

This young man, without reputation and but with unbounded confidence in known surgeon. When the Spanish war allowance. broke out Dr. Anderson was selected as assistant surgeon to a regiment which served in the Philippines. At the end of his service he made a tour of the world and returned to Chicago, where he opened an office and resumed the practice of his profession.

professor or lecturer.

The persistence and energy which prompted the trainboy to study medicine enabled the young surgeon to rise above mediocrity and secured for him an envia-

ble reputation. Dr. Anderson's conquests were not cor a year ago he won the daughter of General Daniel E. Sickles, associating himself with draw warrants for departments which have one of the best-known families in the United States.

Their Money.

Enables Some City Employes to Get

Several Departments Do Not Enjoy Benefits of the New Measure-

Council Tries to Keep Within

Limits of Charter.

After a session lasting several hours the city council passed another salary ordinance

Councilman Hascall introduced a resoluto make up the deficit in the legal department, the city engineer's office, the office of the city inspector of weights and measures and the fund set apart for the counproportions which enabled him to quit the cil. Before voting on the measure the railroad and enter the John A. Creighton councilmen insisted on having all members present, and when the nine aldermen had

mously passed. This resolution made it possible for the departments named to be included in the salary ordinance without violating a charter provision and insured that they would receive their money. Only \$365 was neceseary to patch up these small deficits. The city council was overdrawn \$139.50, the city engineer's overdraft was \$20.70, the legal department had exceeded its appropriation himself, went to Chicago and secured a by \$170.25 and the inspector of weights and position in the office of Dr. Ferguson, a well | measures had expended \$26.09 more than his

berg says, however, that he will not issue warrants in favor of any department which has a deficit. Under the provisions of the ordinance the money is to be paid from that portion of the general fund which was fined to the world of science alone. About set aside in the appropriation ordinance and the comptroller insists that he will not

spent more money than was allowed them. The deficits in the five departments which are still waiting for their money are as follows: Maintenance of city hall, \$1 518.16; city comptroller, \$259.55; treasurer, court, \$187.34.

The judiciary committee recommended that the ordinance recently introduced for adopted. The proposed amendments would have granted many additional privileges to teamsters hauling garbage and in the opinion of the judiciary committee would have impaired the health and cleanliness of the city.

CONNUBIALITIES.

A couple in Ohio who secured a marriage icense forty years ago have just been married.

married.

An illinois man who is \$2 years of age married a girl 29 years old to pay a campaign bet. In view of the fact that this is his eighth matrimonial venture, he doubtless felt that it was better and easier to get married than to welsh.

to get married than to welsh.

A Kentucky bride was not to be bluffed by such a trille as smallpox. Brave Burbon Sunford married her, smallpox and all, the minister officiating at a safe distance outside the window. Sanford would have gone to her side had admission not been denied him. Only Kentucky produces such heroes.

The wedding dress of the queen of Holland is being made at the School of Art Embrodery in Amsterdam, where her coronation robe was embreidered. The silk is stretched over a frame, and half of the

done.

Charles Johnson, white, and Eleanor Moody, colored, were inarried recently in Atlanta, Ga. For a long time it has been the custom there to punish the principals in such unions, but Johnson fought against a fine, and it has come to light that there is no legal penalty. The married couple stand in enjoyment of all their connublatinghts, but the person performing the marriage ceremony is liable to six months in jail, twelve months on the county chain gang or \$100 fine, or all these penalties at once.

at once.

Mrs. William H. Branschied of Tacoma, Wash. has applied to the court for separate maintenance. Her husband files a cross-bill alleging that his wife is completely dominated by her mother, herself a divorce. The latter is declared to have "very peculiar and extraordinary notions of and concerning marital relations, husbands, wives, domestic economy, the bearing of children, the use of intoxicants, narcotics and other drugs, morals, religion, pecuniary obligations and the male sex in general."

That superintendent of instruction who That superintendent of instruction who took charge of Cuba's schools and promptly fell in love with a pretty Cuban school teacher, is reported to have proposed to her in a telegram worded as follows: "I know that you are anti-annexationist, but I

wish very much to annex a small part of Cuba. What do you say?" Wasn't that truly Bostonian? And didn't her reply show that she had swiftly caught on to the ap-proved Boston style: "I cannot be annexed, Alpheus B. Stickney of St. Paul and Miss May Crosby were married on the 7th Inst. In Brookline, Mass. Miss Crosby is a daughter of the venerable Judge Josiah Crosby and with her parents met Mr. Stickney in Boston by appointment. The marriage is the climax of a romance which began and ended rather abruptly forty years ago, when Mr. Stickney was a law clerk in Judge Crosby's office in Dexter, Me. Mr. Stickney is now president of the Chicago & Great Western railroad and one of the great railroad magnates of the country. When he met Miss Crosby he was a poor clerk of 19 years in his father's law office. She was a mere child. Alpheus B. Stickney of St. Paul and Miss

An ordinance including all departments save that of the city comptroller was passed without opposition. This action is supposed to entitle all city employes, with the exception of those in the comptroller's office, to their salary. Comptroller Westberg says, however, that he will not issue

Digests what you eat. Many persons suffer frightfully from indigestion, and are in torture when they eat anything; the heart palpitates and they can't sleep. They try pepsin, soda tablets and almost everything else, and half-starve themselves, and still get no better. Isn't there anything to help them? Many doctors know their patients suffer this way and don't know what to do. But

here is how some doctors secure the gratitude of their patients; "I suffered terribly from indigestion for fifteen years till my family doctor recommended Kodol Dyspersia Cure. The first dose relieved me, and I continued its use till now I am sound and well."-John H. Ellenberger, Helixville, Pa.

It can't help but do you good

"My family physician recommended me to use Kodol Dyspersia Cure for chronic indigestion that had tortured me for years. Formerly I couldn't eat anything or drink even a glass of water without distress. Now I can eat and drink whatever I want."-Mrs. R. F. Buffington, Xenia, Ill.

Kodol Dyspepsia Cure
