Madame A. Ruppert says:

"My Face Bleach is not a new, untried remedy, but has been used by the best people for years, and for dissolving and removing forever pimples, freedles, moth patches, blackheads, eczema, tan, sunburn, sallowness, roughness or redness of the skin, and for brightening and beautifying the complexion it has no equal.

It is absolutely harmless to the most delicate skin.

delicate skin.

The marvellous improvement after a few applications is most apparent, for the skin becomes as nature intended it should be, smooth, clear and white, free from every impurity and blemish. It cannot fail, for its action is such that it draws the impurities out of the skin and does not cover them up, and is invisible during use. This is the only thorough and permanent way. During this month, I will offer to sila trial bottle of my world renowned Face lleach, sufficient to show that it is all that I claim for it, and any reader of this can send me 25 cents in stamps or silver, and I will send the trial bottle, securely packed in plain wrapper, scaled, all charges prepaid.

My book 'How to be Beautiful' will be mailed froe to all who will write for it."
