Eleventh envalry, was in the city yesterday visiting former members of the company, on his way home to Onawa. Myers has been discharged from the service under the general order sending home all volunteers who were sick in hospital.

who were sick in hospital.

Kid Dooley and Mat Carter, the negroes charged with the theft of a watch from Robinson Bros. jewelry store, were artaigned in police court yesterday morning and both pleaded not guilty. The detendants will attempt to prove an albit and in order to afford them time to procure their witnesses the further hearing was con-tinued until next Monday morning. Articles of incorporation of the H. A

Articles of Incorporation of the H. A. Quinn Lumber company were filed in the county recorder's office yesterday. The incorporators are: S. H. Bowman, B. C. Bowman and H. A. Quinn. The capital stock is placed at \$100,000, in shares of \$100 each. The purpose is to purchase and carry on the incidence of H. A. Quinn & Co. The incorporators formed the first board of directors. One of the biggest hits in "A Woman in the Case," at the Dohany theater Sunday night, is the result of a good pleec of work performed by Dan Cupin several years ago when the stars, Bartlett and May, Joined forces, both privately and professionally. Mrs. Bartlett, who is known to the amusement middle as Gracie, May, is doubtly ment public as Gracie May, is daintly small, while Bartlett is a comparative glant. This striking contrast offers many opportunities for fun-making.

The fire department was called shortly The fire department was called shortly after 7 o'clock yesterday morning to the residence of Carl Matterson on Harmony street. Some bedclothing which was too close to a storepipe caught fire. Charles Sanderson of No. 3 hose house happened to be at breakfast in a nearby house and after turning in the akarm he turned his attention to the blaze and had it under control by the time the department reached the scene. The damage was confined to the contents of the room, but Sanderson was slightly burned about the hands and face and lost a portion of his whiskers.

Want Heat Regulation.

At a special meeting last night the Board of Education decided that the heating and ventilating plant of the new High school would be incomplete without the heat reg ulating apparatus and the contract for furnishing same was awarded to Stephan Bros. on their bid of \$2,283. The original bid of this firm was \$2,483 at the time bids for the entire heating and ventilating system were submitted, but the board held that the price asked was excessive. The reduction facturers of the apparatus. This "reguof the rooms and the corridors at any uniform heat desired.

of the advisability of enforcing vaccination provided for by a bill now before congress. among the pupils of the city schools and was passed, suggested that this precaution against the The scale spread of smallpox be taken. Member Stewart was of the opinion that the matter lay with the Board of Health and that the school board had no authority in the matter until that body had given it instructions. After some slight discussion the matter was

Secretary Ross was authorized to prepare the registration books for the spring school election and make all arrangements necessary. Heretofore the school district has been divided into five voting districts for Pat Crowe was supposed to be the leader. the purposes of the election, but at the last session of the legislature the law was so amended as to give the board authority to lows, by the governor's permission. divide it into as many districts as it thought fit. It was decided to make each ward in the city a voting district, so that at the school election this year there will be six instead of five districts as heretofore. On the recommendation of Superintendent Clifford the use of Larned's English His-

tory in the High school was authorized. Members Sargent, Swaine and Cooper were absent and it was nearly an hour after | tion. the time named for the meeting that a quorum was obtained.

Iowa to Have a Pair of Guns That Shelled Legation in Pekin.

Minister Writes to Governor Shaw Suggesting That the Big Weapons He Mounted and Placed Hefore the New Edifice.

DES MOINES, Ia., Jan. 25 .- (Special.)-Two cannon are on the way from Pekin to Des Moines to be given place on the grounds of the lowa Historical building. They have been sent by Minister Conger, who, in his letter to Governor Shaw regarding the same, wrote: "I am today starting on their way to you two Chinese cannon, with the carriages (knocked down), which our troops on their arrival here captured on the city wall near our legation. They are undoubtedly the guns which were sending shot and shell into the legation during the siege. I have billed them to you, sending them on a United States transport to San Francisco, and have requested that they be shipped thence to Des Moines by rail. I beg you to accept these guns for the state of Iowa as a souvenir of a most disagreeable situation in which some of its citizens were providentially rescued. I shall be glad to see them properly mounted and planted before the new Historical building or in any other place about the capitol which you may

Confessed to Arson.

Rudd Ruhlethaler, a Swiss, walked into the city police station and bluntly told the sold only at The Hoffman, for one drink of officers that he had set fire to a livery and feed barn last night which entailed a loss of nearly \$8,000 and caused the death of twenty-eigh, horses. The man went with officers and told them just where he started the fire and all about it and gave a full his tory of the case. He is undoubtedly insane as he had no motive for the crime.
