

KIDNEY TROUBLES

Severe Attack of Kidney Trouble.

Oh My Back!

OF all seasons of the year this is the worst for the kidneys. It is from now on for three or four months that those with weak kidneys are sufferers from these complaints. It is at this time, after a cold, the grip, or changes in the system as the spring approaches, that kidney troubles manifest themselves. It is now that the old time victims realize more than ever from their sufferings what it is to be afflicted with this dangerous and painful trouble. Words cannot picture the distressing appeals of the man or woman to receive relief from the pangs of any kidney trouble. Those who have this disease, or who have an intuition that they are threatened, should take immediate action to stop its ravages before too late in the one case, and to cure up and make the kidneys well in the other, thereby preventing it. Kill the germ and you will have no more kidney troubles.

An Old Soldier Says About Cramer's Kidney and Liver Cure—Not a Single Pain Since
Omaha, July 26, 1900.
CRAMER CHEMICAL CO., Albany, N. Y.
Gentlemen: I have been afflicted for the past five years with kidney trouble and tried every remedy that could be found, with no permanent relief. My case was getting serious. I could get no sleep, was restless and nervous. My strength was leaving me and I had no desire to work. I felt all the time—no matter how long I stood—there was no relief for me. What ever I did and I had not faith in medicines, seeing so many good testimonials from Omaha people about Cramer's Kidney Cure, I called on one and asked what he thought. He told me that it was the best medicine in the world, and advised me to try it. I bought a bottle, and after taking about one-half of it I began to feel better and stronger—and after taking four bottles I am today a well man, and I cannot say too strong words for this wonderful medicine, and should I see anyone suffering with kidney trouble, I wouldn't be without it if I had to pay \$50 a bottle for it.

G. P. BROWN,

Milk man, 43d and Fowler Streets—Mr. Brown Has Delivered Milk to Many Omaha People for the Past 10 Years and Was Cured By Cramer's Kidney Cure.
Omaha, Dec. 9, 1900.
CRAMER CHEMICAL CO., Albany, N. Y.
"I received your sample bottle of Cramer's Kidney Cure, which you kindly sent me. It helped me very much and I have taken two bottles since. Being out in all kinds of weather I contracted a cold which settled in my back. It was impossible for me to properly attend to my work, and I had to employ a man to do my work. I was told by one of my customers what Cramer's Kidney Cure had done for him, and wrote for the sample. Today I can attend to my duties and feel ten years younger. I certainly can't praise your remedy enough."
G. P. BROWN.

MOSES STURMAN

Ex-Deputy Sheriff of Douglas County—For 25 Years a Resident of Omaha.
Omaha, Oct. 16, 1900.
CRAMER CHEMICAL CO., Albany, N. Y.
I have been a great sufferer for over fifteen years, from lame back. I have tried various remedies for relief, but got none. My doctor told me I had rheumatism of the loins, and could give me no relief. When I would wake mornings I would be obliged to sit up in bed to get my breath. In stooping I would have to get support to get up. Seeing your Cramer Kidney Cure advertised I made up my mind it was just what I needed, and I bought a bottle. I commenced to feel stronger and improved every way. I took five bottles in all, and am now cured of kidney affection of long standing. I cheerfully recommend it to those who are thus afflicted.

SERGEANT BEBOUT

Tells of the Great Results Given by Cramer's Kidney Cure.
Omaha, Dec. 18, 1900.
CRAMER CHEMICAL CO., Albany, N. Y.
I was unable to get any relief from physicians who have continually been treating me for kidney trouble. They gave me all kinds of nauseating medicines, that would not agree with my stomach. I began to get worse—nervous, and my sleep was impaired, in fact my whole system was shattered. I tried many different remedies but found no permanent relief. One of my brother officers suggested to me to try Cramer's Kidney Cure, which I did. After taking three bottles, I am today feeling better than I ever did, and am a cured man from kidney disease. My stomach is in better condition and my sleep is natural. I thank you for that wonderful remedy. I can recommend it to all persons that are troubled the way I was.
SERGEANT BEBOUT.

DAVID O'BRIEN,

Manufacturer of Candy Adds a Few Words of Praise.
Omaha, June 10, 1900.
CRAMER CHEMICAL CO., Albany, N. Y.
Gentlemen: Your remedy for kidney trouble, with which I suffered for several years, gave me such relief that I felt in duty bound to address you this letter to say that I do not think there is a medicine today that equals it for complaints of the kidneys. My case was a bad one, with severe pains at times. In fact, I had so much distress that I was often compelled to lay awake nights. Seeing your remedy advertised extensively I was induced to try it. After the use of a few bottles I am again in perfect health and have to thank your wonderful remedy for it. I shall recommend it to all my friends having this dire trouble. Respectfully yours,
DAVID O'BRIEN.

H. F. PETRIE,

The Well Known House Mover of Omaha Says He Would Not Take \$7.00 a Bottle for It.
Omaha, Nov. 12, 1900.
CRAMER CHEMICAL CO., Albany, N. Y.
I believe that Cramer's Kidney Cure will never fail to effect a cure. If I could not get it for less I would willingly pay \$7.00 a bottle for it. Some time ago the doctors told me that my kidneys were in a very bad condition and gave me medicine, but instead of getting better I got worse. My sleep was impaired. I was told by a friend who had used Cramer's Kidney Cure that it cured him. I bought a bottle and was delighted to notice the effect. Relief came at once and I firmly believe that of all the medicine I have taken none did so much good as Cramer's Kidney Cure.

MR. GEORGE HYDE,

Another Old Veteran of the Late War Says It Affected a Permanent Cure for Him.
Omaha, Dec. 12, 1900.
CRAMER CHEMICAL CO., Albany, N. Y.
During the war I contracted a severe case of kidney trouble and upon my return home I employed some of the best doctors in the country, but failed to get anything but temporary relief. One year ago, I began taking the Cramer's Kidney Remedy, and before taking one bottle I was satisfied I was getting better. After taking six bottles I was cured and have never had a return of my trouble. Am a well man, and feel at least 20 years younger. You are at liberty to publish this statement, as I am anxious to bring your medicine to the attention of all old soldiers whom I know are affected with kidney trouble.
GEORGE HYDE, 1816 Chicago St., Omaha.
