Rhea and Gardner Enter Formal Depial to All Four Counts.

MURDER IN FIRST DEGREE CHARGED

information is so Exhaustive as to Evoke Remark from Judge Grimison-Prisoners Stand as Statues During Arraignment.

FREMONT, Neb., Feb. 6 .- (Special.) -Rhea and Gardner, two of the anleged murderers of Herman Zabn, were ararigned in the district court this forenoon and entered pleas of not guilty. About 11 o'clock this morning the jury in a case then on trial were excused till afternoon and after many spectators who had been waiting around Schneider, appeal from Lancaster; Cooney the court room during the morning had left, the two men were brought over, handcuffed and in charge of two officers.

They seemed glad to get a breath of fresh air, but appeared to take little interest in what was going on outside. They stood from Cass. erect and almost like statues, facing the judge while County Attorney Stinson read the information. It was in four counts, numbering over 5,000 words-"the longest information," said Judge Grimison, " that

I ever saw filed in any case." The first count charges William Rhea, Edward Gardner and William Darrell with uniawfully and with premeditated malice assaulting and killing Herman Zahn by shooting him. The second count charges murder while attempting to rob and steal by putting in fear. The third charges the three men with murder while in the act of participating in a robbery. The fourth charges Rhea and Gardner with murder while in the act of committing a robbery and Darrell as an accessory aiding and abetting the act. Each count charges murder in the first degree.

Neither of the men betrayed the least emotion or feeling while listening to the reading of the information, though Gardner's face wore a look of eagerness and anxiety. At the close of the reading of each count the question was asked, "What affirmed; Jensen against Halstead, resay you to this count of information. Are you guilty, or not guilty?" and each answered distently, in a cold, mechanical against Garneau, affirmed; National Bank tone, "Not guilty," and in answer to the of Commerce against Kinkead, affirmed; question, "What say you as to the information as a whole, are you guilty, or not tion; Hayes county against Christner, reguilty"" the same answer was given. Several times Gardner dropped his eyes to his hand, on the wrist of which hung a handcuff, then quickly raised them to the face of the judge. Neither of the men looked around the court rooom, and both hearing denied; Plummer, Perry & Co. seemed to want to avoid the gaze of the

STANTON PLANS ALL THIS

Raises \$10,000 to Dam the River and Establish Power for Generai the.

STANTON, Neb., Feb. 6 .- (Special.) -- The citizens of this city have raised a cash subscription of \$10,000 for the purpose of constructing a millrace and water power for running a flour mill, the pumping station and a system of electric lights. The stockholders met last night and completed their organization, to be known as the Stanton Water Power company. Articles of incorporation and by-laws were adopted. The following board of directors was elected: H. D. Miller, F. A. Raabe, Bob Appleby, Thomas Kingston, F. L. Saunders, Fred Feyerherm and Joseph Grattan. The plan is to cut a course through from one bend of the Elkhorn river to another, a distance of about 1,400 feet, and build a five feet. The estimated power is from 350 to 400 hourse power. The company expects to contract with Frank L. Saunders for the erection of a 100-barrel flour mill, with the best modern improvements. This scheme has long been talked by the citizens here and now that it is an assured fact the people are jubilant, as it is expected we will not only get a first class mill and a complete electric light plant, but when once started the power will be in demand for many other purposes. The board of directors met this morning and elected officers as follows: H. D. Miller, president; Joseph Grattan, vice president; Frank A. Ranbe, secretary, and Thomas Kingston,

A NEW DEPARTURE, A New, Effectual and Convenient Cure

for Catarrh. Ot catarrh remedies, there is no end, but of catarrh cures, there has always been a great scarcity. There are many remedies to relieve, but very few that really cure. The old practice of snuffing salt water through the nose would often relieve and the washes, douches, powders and inhalers in common use are very little, if any, better than the old fashloned salt water douche. The use of inhalers and the application of salves, washes and powders to the nose and throat to cure catarrh is no more reasonable than to rub the back to cure kidney disease. Catarrh is just as much a blood disease as kidney trouble or rheumatism and it can not be cured by local treatment any

more than they can be. To cure catarrh, whether in the head. threat or stomach an internal antiseptic treatment is necessary to drive the catarrhal poison out of the blood and system, and the new catarrh cure is designed on this plan and the remarkable success of Stuart's Catarrh Tablets is because being used internally, it drives out catarrhal infection through action upon stomach, liver and

WORKS LIKE MAGIC FOR GIRLS

My daughter is much better. She is now starting on her third bottle. Wine of Cardul and Thedford's Black-Draught have worked like magic with her. I have told some of my acquaintances of your medicines and can heartily recommend them to others. My daughter had both uterine and ovarian symptoms, side ache, backache, and a headache now and then, especially in the top of the head. But the most stubborn pain was in the left side at the lower edge of the ribs or three or four inches above the upper part of the groin, with soreness of the whole abdomen during the period.

Mrs. B. T. MILLIKEN.

Mothers whose daughters are nearing the age of womanhood should give a care to their condition, before they reach the stage of suffering Mrs. Milliken describes. Too often beautiful and promising girls become permanent invalids because of a lack of proper caution at this critical period of their lives. The important thing for a girl just entering womanhood is to be started right. Then a healthy and happy life will follow.

WINE OF CARDUI

is the great emmenagogue. It will regulate the menstrual flow. It will start the girl right. Every mother should present her daughter with a bottle of Wine of Cardui and teach her to rely on it as a friend. Girls who take an occasional dose of this pure Wine are strong and healthy. They avoid much agony and torture. Mrs. Milliken's daughter was cured of all her suffering and now she is a strong woman. Your daughter may be strong. There is no danger to fear at the coming of the menstrual habit where Wine of Cardui is allowed to start healthy periods. Thousands of mothers endorse Wine of Cardui. All druggists sell \$1.00 bottles.

For Instance

You may know something of the "grip"-may have felt all its miseries, experienced the weakness and had a mouth full of bad taste, yet you know nothing of the history of the disease. Now

The Standard Dictionary

gives some interesting facts concerning the grip and it's about the only book that does.

Fact is

there are mighty few things that have escaped the editors of that work. If interested, call and see a copy. Take one home for \$7.00.
