Tremulous Hands.

When the nervous system is weakened, the body generally shows the symptom of tremulousness in some of its members. The hands shake, the lips twitch at the corners, or the eyelids quiver involuntarily. Such a condition calls for medicine which feeds the nerves. Dr. Pierce's Golden Medical Discovery, acting directly on the stomach and organs of digestion and nutrition, has a won-derful influence in restoring nerv-

ous force. It quiets the nerves not by drugging them into stupor but by feeding them into strength. The "Discovery" has restored the health of thousands of those who were utterly hopeless, giving

them back natural appetite, phy-sical vigor, healthful sleep and mental strength. There is no alcohol in "Golden Medical Discovery " and it contains no opium, cocaine or other narcotic.

David Duggins, Esq., of Jones, Ohio Co., Kentucky, writes: "When I began taking Dr. Pierce's Golden Medical Discovery I think I had nervous or general debility of three years' duration. I took three bottles of the 'Discovery,' During the time I was taking it my sleep became more refreshing and I gained fifteen pounds, weight, and also gained strength every day."

At nearly every meeting of the council taxes for somebody are canceled upon a report of the finance committee. POPPLETON'S FIERY ACTION MANNWILER IS BOUND OVER

His Expressed Antipathy to Taxpaying is Widely Discussed.

Members of Council Denounce Poppleton and Commercial Club Declines to Take Responsibility for His Conduct.

W. S. Poppleton's sensational denunciathe tax levy is the chief topic of comment in business and official circles.

Conservative taxpayers, despite their anxety for the lowest consistent levy, do not hesitate to condemn the explosive methods of Poppleton. Members of the city government go further and boldly envelope Poppleton in a saturnalia of caustic criticism. Some of the opinions would not look well in print. But in the face of it all, Poppleton strikes back in defiance, as much as to say: "I'm glad of it, and I'd do it again if I had the opportunity."

"The attack made upon the city council by W. S. Poppleton," said Myron D. Karr, president of the council, "was cowardly and upwarranted. CAPTAIN OF FIRE DEPT.

Capt. H. H. Thomson Advises the Use of Dr. Greene's Nervura.

This Wonderful Body Builder and Strength Restorer Should Be Used Now.

CAPT. H. H. THOMSON OF MINNEAPOLIS FIRE DEPT No occupation in the world requires more perfect nerve force and physical strength than is demanded of its members by a modern fire department. The members of this branch of the public service must be ready at all hours of the day or night, and in all degrees of heat, cold or exposure, to answer the call of the public, and protect life and property. At all times they must have bodily strength and a clear brain. Without this we would never hear of the wonderful feats of bravery and rescue performed by them. Nothing in the world will build up strength like Dr. Greene's Nervura blood and nerve remedy. Captain Thomson's strong statement, which we publish herewith, carries weight, and is echoed everywhere by those who rely on Dr. Greene's Nervura blood and nerve remedy, when disease attacks them, or they get run down in health which is so easy at this season of the year. There is no medicine in the world which will ward off attacks of the fatal grip, which is now so prevalent, and there is nothing which will drive it away so quickly or reinvigorate the body as well after the grip, as this famous remedy. Captain Thomson, whose address is 2406 Lincoln St., North East, Minneapolis, Minn., says;

"I am a great believer in the wonderful curative powers of Dr. Greene's Nervura Blood and Nerve Remedy. It has been used in my house for years as a body builder, strength restorer and general family medicine. It never fails to give beneficial results. It strengthens the nerves and purifies the blood. As a health builder, I believe there is no medicine equal to Dr. Greene's Nervura Blood

and Nerve Remedy." Remember that Dr. Greene's Nervura Blood and Nerve Remedy is the prescription of a regular physician, Dr. Greene, who can be consulted absolutely free of charge either by mail or calling at his office, 35 W. 14th St., New York City. Consultation is absolutely free of charge. If you cannot call upon him at his office, write him a letter, telling all about your case, and you can be treated just as well at home as if you called in person. Remember his advice is absolutely free.
