\$5,000 Taken. KANSAS CITY, Feb. 12 .- Five \$1,000 bills have been stolen mysteriously from a Kan-

sas City bank and banks in all parts of the country have been notified to be on the lookout for them. The name of the robbed local dealer was destroyed at the Santa bank and the manner of the theft are being kept quiet. It is said, however, that detectives have traced the bills to a former Kansas City woman, who is said to have tried to pass one of them at a Chicago department store. After the bill had been examined and found to be genuine she is said to have substituted for it a counter-

feit \$1,000 bill in payment for a bill of goods and to have received \$700 in change. The bills are believed to have fallen into the hands of some clever counterfeiters.
