Proceed from humors either inherited or acquired. To treat them with drying medicines is dangerous. The thing to do is to help the system discharge the humors and strengthen it against their return.

Hood's Sarsaparilla can be confidently relied upon to do that. It is positively unequaled, the medicine for all humors and all eruptions.

Buy a bottle today.

"I heartily recommend Hood's Sarsaparills as a blood purifier. Blotches came out all over my body, but they have entirely disappeared, thanks to this remedy." Fred F. Vernon, Canton, S. D. "Since coming to this place we have all broken out with sores. I tried everything I could hear of and finally began taking Hood's Sarsaparilla. I was soon getting better and when I had taken two bottles I was entirely well." William Nies, South Fork, Mo.

Short Morning Session Devoted the Transaction of Routine Business.

LINCOLN, Feb. 15 .- (Special.)-The sen ate was in session only a short time this morning, an adjournment being taken after the joint session until next Monday at 11 o'clock.

Senator Owens made the announcement that senate file 226, a bill relating to irrigacattle tion, had disappeared from his desk and while he did not think the bill was one which any person could have any reason for stealing, he suggested that it would be well for the custodian to see that no one went through the desks during the absence of the senators. The senate gave permission for the bill to be reintroduced and it was given its regular place and number. Only one other bill was introduced

today. Senator Steele asked permission to withdraw senate file 242, which had been introduced at the request of the governor, because it carried with it an appropriation and should have been first introduced in the lower house. The committee on agriculture reported

the following bills for postponement Senate file 205, an act creating landlord's iens.

Senate file 145, providing for the manner in which the State Board of Agriculture shall be made up. Senate file 143, to establish substations of

Nebraska experimental stations. Senate file 137, authorizing county and township boards to purchase road grading machinery.

Senate file 105, to provide for humane horseshoeing Senate file 235, an act providing for a lien

on grain for threshing; recommended to the general file. No other business was transacted.

The following bills were introduced in the senate:

S. F. 263, by Owens-A joint resolution proposing an amendment to the constitution of the state of Nebraska by adding a new article to the said constitution to be numbered article 16, relative to water rights.
S. F. 263, by VanBoskirk-To amend section 20 of chapter A, article U. Compiled Statutes of Nebraska for the year 1899, and to repeal said original section 20.
