

CALLAHAN WAIVES HEARING

Alleged Kidnaper Declines to Reveal His Head in Defense.

HELD FOR TRIAL IN THE DISTRICT COURT

Defendants' Attorneys Attempt to Show Cause Why Liberty Should Be Granted, but Court Fixes Bond at \$7,000, Which is Not Given.

About 500 curious people crowded into Judge Vinsonhale's court room yesterday, expecting to hear the preliminary trial of James Callahan, the first of the Cudahy kidnaping suspects to find himself before the bar of justice.

Callahan was represented in court by Charles W. Haller and J. M. MacFarland, who have been retained to conduct the defense, while General John C. Cowin showed his interest in the prosecution by appearing with County Attorney Shields.

County Attorney Shields made a brief statement, in which he spoke of the enormity of the offense charged against Callahan and asked that the bonds be made heavy enough to preclude the possibility of the escape of the prisoner.

IN HONOR OF GOLDEN WEDDING

Mr. and Mrs. George Hensman of Omaha Celebrate in Minneapolis.

Mr. and Mrs. George Hensman, who have lived in Omaha for thirty years, celebrated their golden wedding March 2 in Minneapolis, at the home of their daughter, Mrs. F. M. Bailey, 1115 Logan avenue, north.

A large company, made up of friends of Mr. and Mrs. Hensman, was present, and in honor of the occasion the home of Mr. and Mrs. Bailey was beautifully decorated with flowers and designs in keeping with the theme of a golden wedding.

Mayor Scores sent a cordial note of congratulation, accompanied by a bouquet of flowers.

Rev. M. B. Morris, who is familiar with the English birthplace of both Mr. and Mrs. Hensman, delivered an appropriate address.

Mercy Wilcox was born in Gayton, England, in 1827, and the same year, in Little Houghton, England, was born George Hensman, destined to be her husband.

They were married in 1851 by Rev. George Dawson, the great English reformer. Both Mr. and Mrs. Hensman were averse to having their golden wedding performed, as it often does at golden weddings, as they felt that the repetition would mar the sacredness of the first, solemnized so many years ago in England under such auspicious circumstances.

BOUQUETS FOR MR. HENNINGS

City Treasurer Receives Letters Complimenting His Vigorous Tax Crusade.

Although City Treasurer Hennings trends a thorny path he finds a few roses in his daily routine. The complaints of unwilling taxpayers are counteracted by letters from people who pay their taxes and approve the treasurer's efforts to bring all delinquents to task.

But the treasurer also has letters from men who have never paid taxes until the present year. One man wrote him the following unusual letter:

I am glad you made me pay my taxes. If I had not paid them this year interest would have accrued and I should have had to pay more next year. I am willing to pay when all the other fellows pay, and hope you will keep up your present activity until every cent due the city is in the treasury. I want to thank you for forcing me to pay my obligations to the city.

Delinquent personal taxes collected yesterday by the men who accompanied him on his tour of Farnam street amounted to more than \$400. The collectors are still working in Farnam street office buildings.

Proposed Alliance with England.

If the United States and England should form an alliance the combined strength would be so great that there would be little chance for enemies to overcome us. In a like manner, when men and women keep up their bodily strength with Hostetter's Stomach Bitters, there is little chance of attacks from disease. The old time remedy purifies the blood, steadies the nerves and increases the appetite. Try it for dyspepsia and indigestion.

FLABBY FELLOWS WHO WANT TO BUILD UP THEIR BODIES WILL FIND THE 'ONE THING NEEDFUL' IN DR. PIERCES GOLDEN MEDICAL DISCOVERY. The body is built up from the food we eat. But before food can be assimilated by the body it must be prepared for assimilation by the stomach and other organs of digestion and nutrition. Food does not feed when the stomach is 'out of order'. The result is weak muscles, flabby flesh. 'Golden Medical Discovery' heals diseases of the stomach and digestive and nutritive systems. It works with Nature to make many muscles and firm firm flesh. In a letter received from A. D. Weller, Esq., of Pensacola, Florida, he states: 'I have, since receiving your diagnosis of my case, as stomach trouble and liver complaint, taken eight bottles of the Golden Medical Discovery' and must say that I am transformed from a walking shadow (as my friends called me) to perfect health. A TRUE Temperance Medicine. CONTAINS NO ALCOHOL.'
