

## Praised by a Preacher

**I am a firm believer in Dr. Williams' Pink Pills for Pale People.**

ENOCH HILL,  
Pastor M. E. Church, Grand Junction, Ia.

From the *Des Moines Register*, Grand Junction, Iowa, Feb. 10, 1901.

Dr. Williams' Pink Pills for Pale People have done more for me than any other medicine. I was suffering from general debility, I was not able to do any work, and I was losing weight rapidly. I had been advised to take various kinds of medicine, but nothing seemed to do any good. I then bought a box of Dr. Williams' Pink Pills for Pale People, and I took them as directed. In a few days I began to feel better, and in a few weeks I was able to do my work again. I have since taken several more boxes, and I feel as well as ever. I can now do any kind of work, and I have gained weight. I am now a firm believer in Dr. Williams' Pink Pills for Pale People, and I can recommend them to anyone who is suffering from general debility, or who is losing weight rapidly. I have since taken several more boxes, and I feel as well as ever. I can now do any kind of work, and I have gained weight. I am now a firm believer in Dr. Williams' Pink Pills for Pale People, and I can recommend them to anyone who is suffering from general debility, or who is losing weight rapidly.

### FEW BILLS FOR LAST DAY

#### South Dakota Legislature Clears Up Work on Light Calendar.

#### BILL TO PREVENT ADULTERATING LIQUORS

#### House Enacts Law to Make Teaching of Kindness to Animals Compulsory in Public Schools—Senate Kills Printing Bill.

PIERRE, S. D., March 8.—(Special Telegram.)—Both houses opened with light calendars for the last day, the house having twenty bills to care for and the senate twenty. The house passed a bill to legalize incorporation of Elkhorn, making a properly certified copy of the public record admissible in evidence and authorizing the governor to accept grants and devise to the state. The senate appropriation bill was taken up and all after the enacting clause was stricken out, the house bill being substituted.

The senate took same action in regard to the house bill, but only carried it by one majority. The house killed senate bill to amend the present exemption laws. Just before the recess, Price attempted to secure recognition, but failed. The house authorized the printing of 2,000 copies of the investigating committee report to be distributed by the secretary of state. The speaker appointed Everett, Ryan and Benedict as conferees on the Hatcher scavenger tax bill, to act with Burke, Cooper and Campbell from the senate. The senate accepted the house amendments to the Sweet bill and the bill providing for construction of sidewalks in cities. This classifying the killed the peddle license bill. Governor Herreid sent in the names of S. J. Conklin of Clark, well-known as "Old Cook," as adjutant general, and C. P. Sherwood of Deuel as food and dairy commissioner, both of which were confirmed.

#### Against Interference of Outsiders.

The anti-liquor committee is working against future interference of outsiders in the organization of the legislature.

At the afternoon session the senate messenger in the house announced the appointment of Senators Larson, Stewart and Yarnum as conferees on an appropriation bill. The anti-liquor bill was taken up and the matter out of the hands of the speaker and by motion of Dornthland appointed Price, Seward and Everett, leaders of the anti-liquor bill, as conferees. The house passed a bill to amend the jurisdiction of county judges on population basis with range from \$300 to \$2,000; fixing terms of court in the third circuit; amending the registers of deeds on valuation basis, ranging from \$400 to \$1,200; providing the manner of recovery of children placed out through the agency of societies; donating certain lands to the town of Dell Rapids; empowering cities of first, second and third classes to issue bonds for waterworks; to prevent adulteration of intoxicating liquors; making the teaching of humane treatment of animals compulsory in public schools; to establish and maintain school libraries; providing for the assessment of live stock at home ranches; authorizing county commissioners to employ assistants for the settlement of old accounts; the attorney general and the superintendent of instruction from the State Board of Assessment and Equalization; granting officers of cemeteries the right of eminent domain for extending boundaries; providing for the settlement of old accounts between the state and unorganized counties; legalizing the acts of the village of White Rock, and senate joint resolution asking for a constitutional convention to provide for the election of United States senators by popular vote.

#### Unlicensed Drug Clerk Fined.

SIoux FALLS, S. D., March 8.—(Special.)—William H. Tice, a Meekling druggist, whose clerk had been arrested a short time ago by the women of that place and who denied the alleged sale of liquor at the drug store, waived preliminary examination and furnished bonds for his appearance at the next trial. He was fined \$50 and costs on the charge of violating the state liquor law.

An employe, who was prosecuted by the State Pharmacists' association because he filled prescriptions without having first secured the required license, was found guilty and fined \$50 and costs and has now left Meekling. His place has been taken by a pharmacist from Centerville.

#### Postpones Y. M. C. A. Convention.

MITCHELL, S. D., March 8.—(Special.)—The state Young Men's Christian association of the various colleges, which was to have its convention here, beginning Friday and ending Sunday, has postponed it for an indefinite period, probably until the middle of April, owing to the prevalence of smallpox throughout the state.

#### Fish and Game Wardens.

PIERRE, S. D., March 8.—(Special.)—Governor Herreid has appointed as fish and game wardens: For Beadle county, J. R. Comer of Huron; Clay county, I. M. Howland of Huron; Deuel county, Hugo Spangell of Olivet; Lake county, B. R. Fuller of Madison; Watworth county, Matt Haurahon of Bangor.

#### Calls Pastor from Vermont.

TYNDALL, S. D., March 8.—(Special.)—The Congregational church at Armour has called Rev. George H. Baker of Westport, Vt. Mr. Baker will begin work May 1. The present pastor, Rev. Frederick Morse Cutler, will return to New York at Easter time.

#### Kills Public Printing Bill.

The house killed the senate bill requiring all public printing to be done in the state. The house refused to concur in the senate amendments to the codification law and Benedict, Everett and McDougall were appointed conferees. The senate ordered the report of the investigating committee on the bill to be printed in the daily journal, but not in the permanent journal, and 1,000 copies to be printed in pamphlet form. Martin, populist member of the committee, attempted to take the matter up for reconsideration, but failed. The senate passed the house bill repealing the law allowing townships to furnish seed grain; providing for an election to establish the boundary between Meade county and Lawrence and Pennington counties, providing that actions against the makers of promissory notes must be brought in the county in which the maker resides; increasing the bond fee to \$2.50; requesting congress to accept the sole jurisdiction over Indian reservations; providing for the teaching of the absolute title to the Fort Sisseton military reservation and to make improvements along the Missouri river in the southern part of the state; raising the fee for license to practice medicine to \$10; amending the laws relating to mutual insurance companies.

#### Passes Codification Bill.

The senate passed the amended bill for codification of laws and sent the same to the house, where the amendment was rejected and a conference committee was appointed for the purpose of recommending a majority report for advancement on the retired list passed the senate with but five negative votes. The proposed amendment to the constitution to release county superintendents from the tenure of office provision was killed by the senate. The bill to raise the age of consent. The second conference committee on oil inspection reported a disagreement and the probabilities are that the bill will fail. Both houses cleared their calendars for the night session with the signing of bills and the conference reports on codification, apportionment and oil inspection.

#### Vetoes Educational Bill.

At the night session Governor Herreid returned a veto on a bill to allow each member of the legislature to appoint ten pupils to attend state educational institutions free of tuition. He characterized the bill as dangerous and carrying too much political pull, with danger of overcrowding the institutions. The veto was sustained. The house adopted the conference report on revision and codification of laws which the senate has adopted.

#### Oil Inspector Meyer Removed.

It is charged with lobbying in interest of Standard Oil company.

PIERRE, S. D., March 8.—(Special Telegram.)—Governor Herreid this evening removed Oil Inspector J. B. Meyer for cause, the charge being that Meyer has been lobbying in the interests of the Standard Oil company. The removal of Hurley has been appointed to the place.

#### Money for Carnival.

DEADWOOD, S. D., March 8.—(Special.)—An appropriation of \$1,000 has been asked from the state by the promoters of the carnival to be held here in July. Two thousand dollars has been subscribed by the people of Deadwood and the promoters of the four Black Hills carnivals will raise \$1,000, making in all \$4,000 toward the celebration.

#### Franchise for Steam Heat.

HERON, S. D., March 8.—(Special.)—Parties here are discussing the advisability of establishing a steam heat plant here, like the one the Vermilion Milling company is perfecting, which is to be used in that city if a franchise is granted. It will first be tried in the business portion of the city and if satisfactory the system will be introduced and private dwellings supplied with heat. It is proposed to put in the plant during the coming summer, and a franchise will be asked for some time in April. The use of mains laid similar to water mains it is estimated that heat can be furnished to business houses at from 20 to 30 per cent less than the present cost of fuel.

### CLUB HOUSE FOR EMPLOYEES

#### Union Pacific Will Build Magnificent Stone Structure at Cheyenne.

CHEYENNE, Wyo., March 8.—(Special.)—Chief Engineer Berry of the Union Pacific has completed plans for the construction of a magnificent three-story stone building, just east of the Union Pacific depot here, to be used as a club house for the 1,000 shippers and trainmen at this point. The cost of the building alone will be \$20,000, while the furnishings and fittings will aggregate \$20,000 additional.

#### Escapes While Under Guard.

CHEYENNE, Wyo., March 8.—(Special Telegram.)—While working under guard at the state penitentiary at Laramie, this morning, James Keenright, a convict, made his escape. He has not been captured. Officers are scouring the country for him.

#### New Wheel and Just the One you have Always Wanted.

A new wheel and just the one you have always wanted. Read The Bee wheel offer.

#### Not Necessary to Murder.

KANSAS CITY, March 8.—(Special.)—Chief Engineer Berry of the Union Pacific Ellen Allen, held as an accessory in the murder of her daughter Tuesday night was released from her imprisonment here today. The charge against her being with-drawn. Her husband, who was charged with the murder, was granted a change of venue to Warrsburg and was taken there for trial.

#### Union Pacific Improvements.

CHEYENNE, Wyo., March 8.—(Special Telegram.)—President Burt of the Union Pacific passed through Cheyenne tonight. In an interview he confirmed the report that the company will build a magnificent club house for its employes here during the coming summer, to cost about \$20,000. Mr. Burt also said that the Arhol bill cut-off will not be built this year, but as to other proposed improvement work he could not say. The consolidation with the Southern Railway, he stated, is still under consideration of the Union Pacific, and it is probable that much of the money appropriated for the main line improvements will have to be spent on the Central Pacific, which is sadly in need of repairs.

#### Unlicensed Drug Clerk Fined.

SIoux FALLS, S. D., March 8.—(Special.)—William H. Tice, a Meekling druggist, whose clerk had been arrested a short time ago by the women of that place and who denied the alleged sale of liquor at the drug store, waived preliminary examination and furnished bonds for his appearance at the next trial. He was fined \$50 and costs on the charge of violating the state liquor law.

#### Postpones Y. M. C. A. Convention.

## Advice to Office Seekers.

April and May are the months when most people do their moving. The prospects are that the demand for office space in Omaha will never be so great as it will be this spring. There are not a great many rooms vacant in

### Get Ahead of the Spring Rush For Offices.

### The Bee Building

but there are among them several which are particularly choice, one directly in front of the elevator on the fifth floor; one on the first floor next to the entrance to The Bee business office; a suite of three rooms on the 3rd floor, and a very large office and vault on the ground floor facing 17th street. Besides these, there are four or five smaller rooms in various parts of the building.

The rents are reasonable and the service perfect.

### South Omaha News

The city engineer has just completed the staking out of a sidewalk on Halfroad avenue from Madison street to the county line. This stretch of walk, added to the piece already laid, will make a half mile of walk from Morris's first store in at height to the county line. It is stated that there is no necessity for a portion of this walk and the laying of it means an unnecessary burden on the taxpayers. In some parts of the walk just staked out there is not a single house, and in other blocks the houses are few and far between. At any rate it is asserted that a six-foot walk is not needed in this section of the city at the present time. Within the last few weeks members of the council have been ordering walks in at a rapid rate and it is asserted that there is a great desire to lay as many walks as possible before the new charter passes. In the charter now before the senate a walk composed of two boards, laid lengthwise is provided for. This clause was inserted for the purpose of inducing property owners to lay permanent walks and also to cut down the large bills for lumber which are being run up against the city monthly for sidewalk material.

### Petition for Flag.

Residents and taxpayers of the Second ward are signed a petition requesting the Board of Education to purchase a flag for the Jungmann school. It is contended that other school buildings are provided with flags, and, therefore, the Jungmann school should also be provided for. It is reported that when this matter was brought to the attention of one of the teachers at the Jungmann school she replied that if the board would purchase a flag for the school they would buy it themselves. Taxpayers in the Second ward assert that they are paying school taxes nearly if not quite up to the limit and should receive some consideration and returned to at least the same treatment that other schools receive.

### Green Goods Circulars.

The counterfeit money that is in circulation and is flooding the city with circulars. This thing happens about twice a year. Several business men have been supplied with circulars through the mails. The letters received by people mailed at Cleveland, O., although the telegram to be sent by the victim is to be addressed to M. R. Scott, Carrier, Pa. In connection with the copy of the telegram is a threat that if letters are sent to the telegraph address they will be refused and returned to sender through the dead letter office. South Omaha people have so far fought shy of the inducements offered by the eastern sharks and it is not probable that anyone here will be caught.

### For School Libraries.

On the evening of March 15, at the Jungmann school, an entertainment will be given for the purpose of raising funds for the school library. Tickets are now on sale and already quite a number have been disposed of. It is the intention of the teachers and scholars of this school to provide a first-class manual and literary entertainment. T. J. Sokol lodge has kindly donated the use of flags, banners, etc., to decorate the school building on the evening of the entertainment.

### Republican Club Changes Name.

The Young Men's Republican club held an enthusiastic and largely attended meeting last night at the city hall, at which the name of the club was changed from the Young Men's Republican club to the Young Men's Republican club.
